"Are Sin, Disease, and Death Real?" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 11. The golden text is "Israel shall be saved in the Lord with an everlasting salvation" (Isa. 45:17).

Among the citations which comprise the lesson-sermon is the following from the Bible: "Now it is high time to awake out of sleep: for now is our salvation nearer than when we believed" (Rom. 13:11), together with the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy:

Quality Chicks Needed To Offset Feed Costs

One method through which poultrymen can combat the present high cost of feed is to purchase good quality chicks. Feed costs, records compiled by the extension service indicate, now amount to 60 per cent or more of the total costs of producing eggs and chicken meat in contrast to 50 per cent in normal times.

Tree 'Butchery' Blamed On Untrained Pruners

It often takes 50 to 75 years to raise a good shade tree. But, extension foresters insist, it takes only a few minutes for an untrained pruner to ruin its beauty. Poor trimming technique is destroying the beauty of many streets.

Examples of good pruning are seen on most public building grounds. On the other hand, on almost any street examples of tree "butchery" can be seen.

Is Your Spiritual House on a Solid Foundation?

Jesus once used an illustration that all carpenters and builders can appreciate. He said: "Therefore whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock: And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a rock. And every one that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand: And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it." Matt. 7:24-27. Friend, which of these two foundations represents the foundation of your house? Are you building upon the rock or the sand? If you are obeying the teachings of Jesus, you are building upon the rock. If you are not obeying, then you are using sand for your spiritual foundation. And remember: When the day of Judgment comes and your house is being tested, it will not stand if you have built it upon the wrong foundation. Come and study with us and let us help you avoid the tragic mistake made by the foolish builder. We believe in building upon the right foundation. The Word of God is that foundation.
