Cold Soups for Hot Days

By ALICE DENHOFF

SOME like it hot and some like it cold! There are epicures who insist that there is nothing like a plate of good hot soup to set you up after the temperature gets you down. There are gourmets who spend the summer months in search of the "perfect" Vichyssoise to give pampered appetites an extra treat. With the warm weather here, how about experimenting with some cold soups and improving jellied consommés? The epitome of cold soups isn't necessarily Tomato Madeline, so why not experiment occasionally with some new flavors?

Have you ever tried a delicious cold Orange Soup? It is full of vitamins and no end of nutrition, and it makes a perfect rat course for a duck or chicken dinner. A famous Scandinavian restaurant wins laurels for its Huckleberry Soup, and the British frequently serve a colorful, clear carrot soup that is equally good hot or cold. The pale green coolness of a cold Cream of Watercress Soup is not only lovely to behold, but it strikes the color mood for a follow-up of pink salmon, shrimps or lobster. Iced Clam Bisque can give new interest to finicky Spring or Summer appetites.

Decorative Touches

Sprinkle fruit soups with finely chopped mint; decorate service plates with grape, geranium or flower leaves as a setting for cream soups; give color to clear consommés with lemon segments dipped in chopped parsley. It is these little touches that spell all the difference between dull routine meals and a sparkling, delightful repast.

For the orange soup, dissolve 1/2 tsp. gelatin in 1/4 c. hot water. Then add 1/4 c. cold water, 2 c. orange juice, 1/4 c. lemon juice, 1/2 tsp. lime juice and 1/4 c. sugar or honey. Chill in refrigerator for several hours. Before serving, add one c. diced oranges. Serve with sprinkling of finely chopped fresh mint.

To prepare the Huckleberry Soup,

boil 3 c. huckleberries in 2 qts. water to which one c. sugar and slice of lemon rind has been added. Cook until soft. Thicken with 2 tsp. cornstarch dissolved in 1/2 c. cold water; add pinch of salt, cook for 10 min. Press through sieve and when cool, fold in c. of whipped cream. Serve cold, topped with whole berries.

For the carrot soup, scrape 8 large carrots, and grate four of them. Allow grated carrots to stand in a sieve for 30 or 40 min. until juice is drained off. Then press them until liquid is all extracted. (Or, if desired, use fresh carrot juice.) Cut the 4 remaining carrots in slender julienne strips; simmer in 2 tsp. butter in covered skillet until tender. Add 1/2 tsp. sugar and 1/2 tsp. salt. Combine the carrot juice and 6 c. chicken broth or consommé, boil for 5 min. Add cooked carrot strips. Chill in refrigerator. Serve with topping of whipped cream and finely chopped parsley or watercress.

Cold Watercress Soup

For the Cold Watercress Soup, wash and chop 2 bunches watercress. Add to 3 c. veal stock or chicken consommé; cook for 10 min. Strain through fine sieve or cloth. Melt 4 tsp. butter and add 4 tsp. flour, stirring to a smooth paste. Add the stock, cook for 5 min. Add one c. heavy cream, 1/2 tsp. each salt and pepper and tint with soft green vegetable coloring. Chill for several hours; serve topped with finely chopped chives.

For the bisque, wash 24 soft shell clams; put in kettle with 1/4 c. water. Cover; boil until shells open. Remove clams from shells, chop finely and add to liquor. Add one chopped onion; simmer for 15 min. Scald quart milk; thicken with 2 tsp. cornstarch diluted with 2 tsp. cold water. Cook 10 min.; add the clam water strained through double thickness of cheesecloth. Season with salt and pepper. Serve topped with a spoon of whipped cream, and sprinkled with finely chopped parsley.

Fire of undetermined origin early Sunday morning destroyed approximately a quarter of an acre of timber on the Ross Overholser land on Lorane mountain before being brought under control. A general and prompt response by the citizens of the area to the alarm was the factor contributing to handling the fire without greater loss. The lookout station at Veneta spotted the blaze before the alarm was turned in. Veneta and Cottage Grove departments responded, the Cottage Grove unit making the run to the alarm was in record time. No one was left on the Lorane road to direct the Cottage Grove department to the scene of the fire on a logging road and behind the mountain, so after waiting for considerable time they returned to town. Amount of loss is not known.

The year-old son of Mr. and Mrs. Terry Fagin was honored with a birthday party at their home Tuesday afternoon. A large number of youngsters attended and were recipients of gifts and enjoyed refreshments.

Compare the Values!...

Compare the Prices!...

—see why

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR

COMPARE the values; compare the prices!...

Do this and you'll know that now more than ever before CHEVROLET AND ONLY CHEVROLET IS FIRST in Big-Car quality at lowest prices, just as it is first in nationwide demand for the total 17-year period, 1931 to date!

To compare the values is to know that only Chevrolet brings you the Big-Car riding-smoothness of the original and outstanding Unitized Knee-Action Ride... the Big-Car performance and dependability of a world's champion Valve-in-Head engine... the Big-Car beauty and luxury of the enviable Body by Fisher... the Big-Car safety of Fisher Unisteel Body-Construction and Positive-Action Hydraulic Brakes... plus many another major

quality advantage still not available in any other motor car in its field.

And to compare the prices is to know that Chevrolet prices are the lowest in the field... and that Chevrolet value continues to be the highest in its field!

That is why more and more people in all parts of the country are deciding, more and more enthusiastically, that only one is Number One, only Chevrolet is first.

That is why we believe you, too, will make this same decision when you compare the values and compare the prices... for you win in every way with Chevrolet!

FIRST in Riding-Smoothness!

You just can't beat the genuine Unitized Knee-Action Gliding Ride for real riding-smoothness—real travel luxury—over any and all kinds of roads, from boulevard to byway; and, remember, this famous "Knee-Action" ride is exclusive to Chevrolet and more expensive cars.

FIRST in Thrills with Thrift!

There's nothing like Chevrolet's world's champion Valve-in-Head engine for thrills and thrift. It holds all records for miles served, owners satisfied, and years tested and proved. It embodies that extra-sound, extra-dependable Valve-in-Head design, found elsewhere only in costlier cars.

FIRST in Tasteful Beauty!

You will be perfectly sure of your car's beauty-leadership when you own a car with the world-famous Body by Fisher; and this most desired and desirable of all car bodies—supremely beautiful from every angle, inside and out—is available only on Chevrolet and higher-priced cars.

FIRST in All-Round Safety!

You and your family will enjoy extra safety, too, the triple safety protection of Fisher Unisteel Body-Construction, the Unitized Knee-Action Gliding Ride and Positive-Action Hydraulic Brakes—another combination of features found only in Chevrolet and higher-priced cars.

CHEVROLET—and Only CHEVROLET—IS FIRST!
