Quality Nine Cops Softball Trophy

Fred Anderson's Quality Market nine copped the Cottage Grove Softball Association trophy in a two out of three series with the defending champion Knickerbocker Variety team. Quality had previously won the American league championship in play-off games with the Outdoor Store and a favored Knights of Columbus. Knicks won the National league title in a play-off with the Dorena Dam. Dorena nicked the KC's in a two out of three series to win third place.

Quality led an All-star Roseburg team 3-2 going into the fifth inning but the bottom dropped out at that point and the hometowners ended up on the wrong end of a 2-3 count. The last softball game of the season will be played Friday night when the local representatives meet Springfield in a district encounter starting at 8:00 p.m.

The All-star teams selected on an unofficial basis include:

American league: pitchers, Ray Denham, Quality and Charles Votruba, KC; catcher, Mike McKibben, Quality; 1b, Gordon Elving, Outdoor Store; 2b, Jack Carter, KC; 3b, Frank Jacobs, Lorane; ss, Harold Wicks, Quality; lf, L. Marquart, Creswell; cf, C. Marquart, Outdoor Store; rf, Ken Westfall, KC.

National league: pitchers: Perrin Hoeker, Knickerbocker's and R. Mougnot, Dorena; catcher, G. Schaffer, Dorena; 1b, Roger Peterson, Githens; 2b, Dale Adams, IOOF; 3b, Bus Brown, Dorena; ss, Tom Jones, Knicks; lf, Dean Kelly, IOOF; cf, Gene Lisk, Knicks; rf, Red VanPool, Blue Mt.

BEAVERS DRIVE AHEAD

With every man on the club playing his best ball of the season, the Portland Beavers are now in a drive that may bring them into the first division within a few weeks. Having lost but one series since June 1st and getting stronger all the time, the club has gained the respect of every other club in the league. Tabbed by the visiting clubs as "giant killers" because of their ability to drop the leaders as easily as the cellar dwellers, the Beavers are definitely the favorite to upset the league team standings this season. With the present drive in progress, all pre-season predictions as to where the Portland Club would end up have all gone awry. And the fire that has started has gained enough headway so that it won't be quenched too easily.

USUAL TWOBALL FOURSOME

The usual two-ball foursome were held Tuesday evening at the local golf course with 25 at dinner afterward. Hazel Deremer and Doc Near playing in the next to the last foursome got the lowest score, while Belle Burkholder and Hap Wolfard, and Jean Londahl and Ray Funk tied for runners-up with the second lowest score. Vera Ziebeck playing with Earl Hill said they got the highest score but we doubt it. Two-balls will continue on Tuesday nights till the fall rains begin. Come out and try your skill.

ODD FACTS

The death of a 60-year-old California sphister revealed the fact that though she herself lived in a two-room shack, she had been keeping 77 pedigreed cocker spaniels, seven goats and seven chickens.

Household Hint

An old but effective method of cleaning mirrors is to mix enough whitening or powdered bluing in alcohol to make a thin paste. Use a sponge and dab the paste on the mirror. Before the alcohol has a chance to evaporate, rub off mixture and polish.

At Red Spy Probe

VICTOR PERLO

ON THE WITNESS STAND before the House Un-American Activities Committee in Washington is Victor Perlo, who was named by Elizabeth Bentley as the alleged leader of a wartime spy ring in Washington. Perlo, who went on the government payroll as an official of the N.R.A. in 1933, refused to tell the committee whether or not he is or ever has been a Communist. (International)

'Mystery Witness'

ALEXANDER KORAL

IN WASHINGTON, Alexander Koral, 53, of Brooklyn, N. Y., is shown as he took the witness stand before the House Un-American Activities Committee. He is the mystery witness who House investigators say might provide the break in the espionage inquiry. (International)

Imagine! I'M HAPPY ON WASHDAY!

But only since I got my General Electric All-Automatic Washer!

You'll be happy on washday, too (with a G-E All-Automatic Washer), because your part of the washing is done in 20 seconds. That's just how long it takes to load the washer, see the controls, and start it.

You'll be happier with a General Electric All-Automatic, too, because it really gets the clothes clean . . . sweet-smelling clean. All the clothes are soaked, washed, and rinsed in filtered, circulating water, and the G-E Activator* gets the dirt out of heavy work-clothes—while it's gentle with the finest fabrics.

Ask to see this amazing washer in action. It's being demonstrated today—every day—to show you how to make washday a happier day.
