

John Deere Day Is January 13

Interstate Tractor and Equipment Co., local John Deere dealer, invites all farmers and their families to attend the big John Deere Day Program at the 4-H Club Building, Lane County Fairgrounds, Eugene on January 13th.

"The Sugar Plum Tree" is the feature Hollywood production starring Billie Burke and Don Wilson. Sam Rodway says it's a rickety comedy about two young people who have never been on a farm, and what they do when they received one as a gift. It will prove to be grade "A" entertainment for the entire family.

In addition to "The Sugar Plum Tree," several other brand new, all-talking pictures will be shown. They cover farm equipment and modern farming practices every farm family will find interesting and worthwhile to see.

MOSBY CREEK

Those going from here to the funeral of Mrs. Arleva Neu in Springfield Friday were Mrs. Floyd Jones, Mrs. Berta McGuire, Mr. and Mrs. Harry Castle and Leon Lancaster and son Larry.

The folks along Quaglia Lane have their mail boxes and mail delivery will start Monday.

Junior Jackson of Thornton Corners spent the week end with Leon Lancaster.

Mr. and Mrs. Perrone Hoeker and children of Corvallis spent the Christmas holidays with home folks.

Holiday guests at the Ben Anderson home were Mr. and Mrs. Ray Herndstedt and daughter Nancy and Mr. and Mrs. Eugene Anderson of Corvallis and Mrs. Nellie Lee of Cottage Grove.

Glen Roby has closed his mill and has been cutting wood. Mr. and Mrs. Ray Kennedy of Cottage Grove came out and helped Mr. and Mrs. Harry Castle watch the old year out and new year in Friday evening.

Long Distance Vision
A person can see about 5,220,000,000,000,000 miles with the naked eye. This is the distance of a hazy spot of light which can be seen on a dark night in the constellation of Andromeda. Actually it is a great galaxy of stars like the whole Milky Way system, of which our sun is a part. Its light takes about 870,000 years to reach us, so astronomers usually give its distance as 870,000 light years.

RADIO RAY

Our Radio Ray Has This To Say!

We note, back in the "good old days" that it was possible to obtain almost any of the luxuries of life here in Cottage Grove. In going through the local papers of 50 years ago, the great variety of merchandise offered, through the few stores in town; is especially noticeable.

NOW we have a great many stores, each one offering only the quick-moving items; and of course, the same items as the man next door. It seems to us that any establishment owes a duty to its customers to stock not only the most profitable items but also the ones in little demand, but which the customer needs badly, and quickly, when he does need them.

We propose to do something about it, as far as our lines go.

DELIGHT VALLEY

A godly number of parties, dinners and general fun and gaiety helped to usher out the old and bring in the New Year for many of the Valley residents over the week end.

Mr. and Mrs. George Antonson and boys enjoyed New Year's day with dinner at the home of Mr. and Mrs. E. T. Minkler of Cottage Grove.

Mr. and Mrs. Francis Horn entertained at dinner, having Mr. and Mrs. Kenneth Hickok and sons of Cottage Grove as their guests.

Mrs. Kenneth Zumwalt was honored with a birthday anniversary dinner at her home with Mr. and Mrs. Tom Riley of Dexter, Mr. and Mrs. Harley Williams and family of Cottage Grove, Mr. and Mrs. Wm. Schlotzer and grandson, Glen Whitney as guests for the occasion. Later in the day Mr. and Mrs. Harvey Denham of Eugene visited at the Zumwalt home.

The cold weather has created considerable hardships for many families, and there have been many thawing jobs needed to keep the old kettles from boiling.

Mr. Lee Reed found it necessary to move his family from their trailer house on the Horn property to the Hillside Auto Court for the duration of this "unusual" cold spell.

Sunday visitors at the Ralph Sears home were Mrs. Frank McDonald, daughter Erma, and Betty Dunlevy.

Mr. and Mrs. John VanNortwick and son, Gary, saw out the old and welcomed in the New Year at a dinner party at the Sam Veatch home in Cottage Grove. The evening was spent in song and music.

John Earl VanNortwick was among the younger set enjoying a New Years Eve party at the Methodist church, while Kenton was one of the guests at a party given by Beth Peacock of Gowdville.

Mr. and Mrs. Elwyn Bales and Mr. and Mrs. Lloyd Luten danced out the old year and in the new at the Moose lodge in Corvallis. Mr. Luten not only enjoyed the evening but was the lucky winner of a delicious ham. We hope his prosperity lasts the whole year through.

Little Neal Bales was quite ill with bronchitis last week, but is well on the road to recovery now. Sunday visitors at the Dave Hite home, were Mr. and Mrs. Roy German, of Sandy, Ore. Mrs. German is a sister of Mr. Hite.

Francis Hite and his grandmother, Mrs. Ida Jackson left Thursday to spend the holiday week end with Mrs. Pluma Hanna, in Oregon City.

Mrs. Ruth Holliday, who has been at the home of her daughter, Mrs. James Hemenway, has returned to her work in the Sacred Heart Hospital.

Mr. Bert Hite, of Sandy, Oregon is enjoying an extended holiday visit with his son and family, Mr. Dave Hite.

Mr. and Mrs. Max Sears entertained at dinner on Monday evening in honor of Mrs. Sears' sister and brother-in-law, Mr. and Mrs. P. E. Morgan of Medford. Among those present were Mr. and Mrs. Harold Wolfard and family, Mr. and Mrs. Richard Scott and family, Lee and Ethel Nixon of Cottage Grove and Mr. and Mrs. Wm. O'Connor of Eugene.

A family dinner at the Jas. Hemenway home was enjoyed by Mr. and Mrs. W. A. Hemenway of Thornton Corners, Mr. and Mrs. Wm. F. Norris, and son, Mr. and Mrs. Read Hemenway and family and Mr. and Mrs. Ray Holliday and family.

Remember the school board meeting to be held at the school on Monday evening, Jan. 10. This is a very important meeting and it is hoped that the valley residents, who are interested in the welfare of their school children, will turn out in full force. Registered voters who have resided in the school district for the previous six months and can read and write the English language are eligible to vote at a school election.

Reclamation Studied
A miniature fleet of the navy, transported into the middle of a desert, is operating on the world's largest artificial lake. A scientific survey team, under supervision of the navy and interior departments, is using the fleet to study reclamation and sedimentation problems at Lake Mead, which has been created over areas of Arizona and Nevada by Hoover dam on the Colorado river.

Oil Piped Electrically
It takes only a nickel's worth of electricity to move a barrel of crude oil 1,400 miles through pipelines. By the end of 1951, the world's pipeline facilities for distribution of oil and natural gas will be increased by 29,000 miles.
