Fireside Fashions

Handsome corduroy robe.

By VERA WINSTON
CORDUROY TAKES its place by the fireside these blustery days. Here is a handsome robe cut on flowing, generous lines, a nice thought for campus or career girl when she desires to be comfortable and cozy. It is of gray corduroy with tiny collar and cuffs of brown velvet. To complete the outfit, there are slacks of brown velvet, the brown going nicely with the brown velvet buttons of the coat.
