Use of Aspen
Because aspen possesses no natural durability, all aspen products used in contact with the soil decay rapidly, and such products as untreated aspen fence posts rarely last more than three to four years. When aspen is used for sills of buildings, bridge planking, and the lower logs of log cabins, where the products are not in contact with the soil but may become moist and remain moist for considerable periods, deterioration by decay may also develop rapidly.

If the action be of worth that I take in hand, neither shall an ill accident discourage me, nor a good one make me careless.

Lutton, Mr. and Mrs. Paul Manning, and Mrs. Opal Stott were initiated in the first and second degrees and three applications for membership were presented. The building and grounds committee was instructed to proceed with the tiling and graveling of the west 20 feet of property for a parking space and also to inquire as to the price of loam for the grounds. The Cub Scouts had a fine display of their work. Several of the men made plans to go to Dorena Saturday to help with the building of the new hall. The Grange will visit Willakenzie on March 19. On April 14 a speaker will be present to discuss the Columbia Valley Authority. The third and fourth degrees will be exemplified at the next meeting and the committee in charge of refreshments is Mr. and Mrs. Clyde Holleman, Mr. and Mrs. H. H. Brown, Mr. and Mrs. E. W. The county judging for the declamatory contest will be Saturday, March 26. At that time Shirley Sherrill will give her monologue, "But—But—Officer!" The Grange Youth Activities contest closes April 1.

We will have to start on our Honor Youth Activities soon. If it meets with the approval of the grange, April will be designated as "Youth Month" and the Youth Group members will have charge of the meeting of April 21. A program was planned for that meeting and leader, Ellen Sherrill, appointed the officers. They are as follows: master, Billie Jo LeCompte; overseer, Agnes Plaisted; steward, Richard Wicks; gatekeeper, Franklin Stewart; chaplain, Jean Plaisted; lecturer, Jeanette Kelly; secretary, Rosalie Plaisted; treasurer, Jessie Vining; Ceres, Bette Hulse; Pomona, Dolah Plaisted; Flora, Lucille Stewart; A. HEBRON GRANGE

Hebron Grange master, Roy Geer, and Mrs. Geer attended the Lane County masters' meeting at Eugene March 7. A large group of Grangers was present, and several interesting points regarding Grange work were discussed.

Due to a misunderstanding, the date Mohawk Grange was to visit Hebron was announced as March 19. The special March 19 meeting has been cancelled, and Mohawk will visit at the regular meeting April 2 at 8 p.m. Hebron members are asked to bring a pie and sandwiches.

Hebron Home Economics club will meet according to schedule at the home of Mrs. Walter Baker in the afternoon of March 24. Members are to bring something to work on for the "Hope Chest".

The cast chosen for the Hebron Grange play, "Good Old George" is as follows: George Collins, the hero, Richard Lewis; Nancy Collins, his wife, Marie Geer; Ida Hubbard, George's sister, Rosie Lewis; Henry Hubbard, Ida's husband, Asa Clark; Doty Hubbard, Henry's daughter, Patsy McDole; Andrew Deane, Nancy's brother, Roy Duerst; Miss Price, a secretary, Barbara Goddard. The play promises lots of laughs. It will first be presented at Lorane on March 25, when Lorane and Thurston will also present plays. The next presentation will be at the Latham grade school March 28, when Hebron Grange will be host to Jasper and Dorena. The public is invited to attend.

The last officers' drill practice before Hebron's visit to Four Oaks will be at 2:30 p.m. on Sunday, March 20. Harry Lewis, drill captain, urges all officers to be present, and especially asks members willing to be substitutes to attend.

Lecturer, Kathryn Patten, requests those who have song books at home which belong to the grange to return them on or before the next meeting date, April 2.
