Plans Made for Day Camp by Leaders

The district meeting of South Lane county Girl Scout leaders held in the dining room of the armory Friday, April 8, from 10:00 a.m. to 3:00 p.m. was very well attended. All thirteen troops of Intermediates and Brownies were represented, some troops by as many as seven mothers. Ruth Robertson, field representative from Eugene, field representative from Eugene, gave an outdoor training course during the morning, for those helping with Day Camp this summer. The business of the organization was dispensed in the afternoon.

A definite date for Day Camp was decided, which will be three days of each of the last two weeks in June. Frances King, chairman of the transportation committee, reported the possibility of using school buses for transportation by paying for the gas and oil. Mrs. Frank Miller very kindly offered gas from their pump to be donated for the trip to camp each day.

Helen Minkler, chairman of Day Camp committee, reported on the committee meeting held on Wednesday, April 6, at the 4-H camp near the Blue Mountain school, which has been chosen as the definite camp site. The Blue Mountain school board has kindly consented to let the girls use the school ground, play equipment and playground for a nursery for small children of the mothers helping with Day Camp.

The election of officers was unanimous. Ruth Bullard was re-elected South Lane chairman, Joyce Crane was elected secretary and Emma Smith treasurer.

A shower was given by the troops at the district meeting in order to obtain some needed equipment for use in the armory and at Day Camp. Now the group has a huge coffee pot (for hot chocolate), hot dish pads, tea towels, dish pans, lots of small equipment and many other necessary items that should help to make Day Camp a big success.

DEAR CUSTOMERS:

I guess we are getting old! Anyway we forgot our birthday. Six years ago on April 10th we opened up this shop and invited your patronage. Today that is our prized possession. We do indeed thank you! Our policy will continue as in the past—not special sales—but good values everyday. Like everyone else we can't always buy the thing that sells; therefore we maintain a rack that we call our "BLUNDER RACK" on which we place our mistakes. It pays you to watch that rack. We can't carry everything but we try to have a good selection in the lines that we do carry. Again we wish to thank you for your patronage and assure you that a visit from you is always appreciated.

Very truly yours,
THE SMART SHOP
