Coon Hound

A coon hound is a big, gangling, lop-eared shy beast, and a wag of his bony tail can hurt like a kick on the shin. He must be looked after like a child, costs as much as a horse, and is always hungry, but his voice is worth it.

Special Services, Church of Christ

Special services will be held at the Church of Christ, 6th and Gibbs Saturday evening with W. L. Jessup president of the San Jose Bible College preaching. Bro. Jessup will also bring the Sunday morning and Sunday evening messages. He will have with him a mixed quartette from the Bible College who are very talented singers and have been out in numerous services and who will bring us a number of messages in song both Saturday evening and Sunday at both services.

Everyone is invited to come out and hear these talented young people who are doing a great work for the Lord.

Value of Cranberries

Cranberries are firmly lodged in American tradition as a "health" food. Before the white man's arrival they were valued by Indian medicine men. Later, New England sailors standing watch used to munch handfuls of raw cranberries which they grabbed from the barrel kept in the cook's galley. The tart red berries probably ward off scurvy, which is caused by lack of vitamin C. In addition to vitamin C, cranberries also supply some minerals, including iodine and iron, to the diet.
