P-TA INSTALLS OFFICERS

At the final meeting of the year for the Parent-Teachers Association held Monday night at the Jefferson school, newly elected officers were installed as follows: president, Mrs. Ralph Aubrey; first vice president, Mrs. Ronald Gray; second vice, Elmer Fleming; secretary and treasurer, Mrs. Richard Thwing. The officers were installed by Mrs. Stewart Carlson, past president. She was presented with the past president pin at this time.

The possibility of a youth center was discussed. Mrs. Merlin Bullard, Girls Scout leader, named the many uses the proposed building would have in Scout activities. Grade School Principal Elmer Fleming brought out the importance of adequate space for after-school athletics. Larry Kent, junior chamber of commerce president, stated that his organization will give whole-hearted support to a fund raising campaign to build such a project.

Kent's suggestion, to have a representative from every local church, club and organization meet and form a citizen's committee, was adopted.

The P-TA voted to start the ball rolling in getting the citizens' group together, and elected Elmer Fleming their representative with the provision that he contact the others interested to form the committee at an early date.

The eighth grade Girl Scouts served refreshments.

Martin to the guest speaker, Miss Young; to the mother with the oldest daughter present, Mrs. Nannie Smith; to the mother with the youngest daughter present, Mrs. Bruce Bush; and to the mother with the most daughters present, Mrs. Salem Magnusson.
