Recreation for Summer Planned

Summer activities will be many and close between for teen-agers according to Mr. Dusenberry, who will act as recreation supervisor in Cottage Grove.

Others on the recreation committee include Frank Brown, Damon Scott and Mrs. Warren Daugherty. Jane Beidler will assist Mr. Dusenberry in the supervision.

Included on the active agenda is a re-opening of the city park play area—possibly on a full time scale for the smaller children. Softball, touch football and other games will be played at Kelly field also, as in the past. The high school will also have a softball team playing in the city league.

An intensified swimming program will be carried on at the Cottage Grove dam. Mr. Dusenberry announced, with school busses furnishing transportation. Dancing will be continued this year, with the possible addition of folk and dramatic dances under the direction of Martha Hicks.

The high school band will not remain inactive during the vacation either, as Mr. Rickman will give summer instruction and possibly enter the band in various summer concerts. —Lions Roar.

Elmira Visits FHA Installation For Next Year

Twenty-nine Elmira FHA members and their advisor, Mrs. Bernice Wilcox, were guests of the Cottage Grove chapter Wednesday evening, May 11, for a joint installation of officers followed by entertainment and refreshments.

Old and new officers were dressed in formal for the candlelight installations held on the little stage in Room 10. A lace tablecloth covered the table where the FHA emblem was displayed. An arrangement of hawthorne was in the center of the table surrounded by nine candles representing the light of home economics and the eight purposes of the organization. A symbol of her office was given to each new officer as she was installed.

After the two installation ceremonies Mrs. Martha Hicks gave an interesting talk with demonstrations on the correct way to walk, sit and get in and out of a car gracefully. She also gave some helpful hints on appearance, such as make-up and styles.

Mickey Snapp, retiring president, relinquished the gavel to Kathryn Clark, the new president, and everyone then went out to the gym to join the FFA for folk dancing directed by the gym teacher from Elmira. Music was furnished by records and several simple folk dances were mastered.

After the strenuous dancing the refreshments of cold punch and cup cakes were really enjoyed.

At 10:30 p.m. the bus load of Elmira guests departed after a very enjoyable evening.
