Origin of "Uncle Sam"

Many historians believe the phrase, "Uncle Sam," was first used during the War of 1812, when government supply wagons were stamped with the letters "U. S." People who were not in favor of the war said that the letters stood for Uncle Sam.

With the Granges

Hebron Grange To Initiate

At the regular meeting of Hebron Grange Saturday, July 2, Georgina McReynolds was elected to membership.

It was decided to confer the first and second degrees on all candidates in waiting at a special meeting on July 16. The regular order of business will be carried out. The new degree team will be in charge of conferring the degrees. Harry Lewis, captain of the degree team, asked the team and all who will act as substitutes to meet for practice Wednesday evening, July 6.

Helena Overgaard did not give her report on the State Grange meeting since it was desired to keep this meeting as short as possible due to the Rodeo Queen's ball in Cottage Grove. She will give the report at a later date. She did, however, give an interesting report on the State Grange Home Economics club meeting when Hebron H.E.C. met at the home of Rosie Lewis on June 28.

Hebron H.E.C. will have a cooked food both at the Regatta on August 14. Nellie Harris, Rosie Lewis and Elsie White are in

charge. Men of the grange agreed to build the booth.

Plans are being made for the grange display at the fair this fall. Members are urged to remember this booth when harvesting crops.

An invitation was received from Dorena Grange asking Hebron grange members to visit at Dorena's next regular meeting, July 7 at 8 p.m. in the new grange hall.

It was reported that Earl Murry broke a wrist recently. Lecturer Kathryn Patten is reported to be very ill. Friends are eagerly awaiting reports as to her condition.
