LONDON

(Mrs. Gale Roby, reporter)

July 4th in the community was spent quietly with many family gatherings over the three days.

Mrs. Beth Kells had visitors for a few days, coming Sunday from San Francisco. They were friends who drove up to bring Mrs. Kells' good friend, Rosalie Ausseresses, from France.

A family gathering at the home of Mr. and Mrs. Lynch Currin over the Sunday-Monday holiday brought Mrs. Currin's two brothers, Delbert Wills, of Chico, California, and Ralph Wills of Fair Oaks, California, and a sister, Mrs. Alice Noth of Salem, all to visit their mother, Mrs. Ella Wills at the Currin home, on their vacations. Another son, Ernest Wills of Vallejo, California, was unable to come.

The Powell and Martin families celebrated the day, Monday, July 4, with an outdoor picnic along the creek at the Charles Powell home up Cougar Bend.

Mr. and Mrs. S. T. Clark and family picnicked July 4th at their old homestead on the Siuslaw river, near Lorane.

Clyde Malone and his mother, who is an aunt of Mrs. C. C. Gilham, are visiting from Portland over the 4th and enjoying fishing trips to the coast.

George Hinkle, a builder from Springfield, and nephew of William Lively, has purchased the Lively place and will begin construction on a new home in about two weeks. Mr. Hinkle has a wife and three children who will live here. Mr. Lively and his sister, Mrs. Beth Kells, will continue to live in their present home indefinitely.

Mrs. S. J. Swank of Portland, a sister of Mrs. Kells and Mr. Lively, is coming July 7, to make her home here at the Lively home.

Mrs. D. E. Martin is in Portland caring for a niece who is bedfast. Mr. and Mrs. James Flemming and family of Fall Brook, Calif. are here with their trailer house, which is located at Cougar Bend, to spend the summer. Mrs. Flemming is a daughter of the D. E. Martins.

Mr. and Mrs. Charles Powell have finished the new addition to their house.

and has moved it for an addition to his house at Cougar Bend.

Mrs. Lynch Currin and daughter, Maxine, are attending summer school at the University in Eugene.

Merrill Abeene is here from Eureka, California visiting relatives.

Mr. and Mrs. Frank Rogers of Spokane are visiting Mr. Rogers' sister, Mrs. E. M. McEwen.

Mr. and Mrs. Norman Kennedy and son and Mr. and Mrs. R. L. Cantwell and son all of Cottage Grove, were Sunday visitors at the McEwens.

Mrs. Lora Townsend is in Roseburg visiting her son Clayton. Mr. and Mrs. Charles Olds and daughter, Helen, of Berkeley, California are visiting their son, Mr. Joe Olds.

Word was received here from Mr. and Mrs. Harold Abeene and Mr. and Mrs. Nash Hughes, who are traveling across the United States from Oregon, that they have visited St. Augustine, Florida on the Atlantic coast and are now homeward bound. They will return thru the Dakotas and stop in Montana and Yellowstone Park.

Captain V. A. Powell, who was here from San Diego last week for the funeral of his mother, Emma C. Powell in Cottage Grove, visited his cousin, Mrs. Ivan Abeene, Tuesday, at London.

Melinda Carlson of Cottage Grove visited last week with her aunt, Mrs. Leon Morton.

Herman Cathcart of Modesto, California, visited his cousin, Nelson Bemis, and spent an evening last week with family talk, since it had been 22 years since the two had seen each other.

Mrs. Eulin Turner's brother, Mr. Tibbs is here visiting from Chicago.

The Merry-makers card club enjoyed an evening at Margaret Ritter's home, Thursday, June 30, with an evening supper of sandwiches, jello, cake and coffee. High scores were won by Mrs. Goldie Gunn and Mrs. Zelma Small, who received sets of glasses for prizes. Mrs. Uleta Abeene received growing ivy in a novel pig container, for low score.

Mrs. Ritter received four pairs of pillow cases which are the customary hostess gift. Next meeting will be with Mrs. Zelma Small, July 28.

Mrs. Leon Morton has three more thimbles to add to her thimble collection, brought to her by her sister, Mrs. W. A. Woodard, from Europe. The most outstanding is a fancy decorated thimble from Alhambra, at Granada, Spain, and more common ones from the Street Bazaar of Cairo, Egypt and Norway.

RICHFIELD

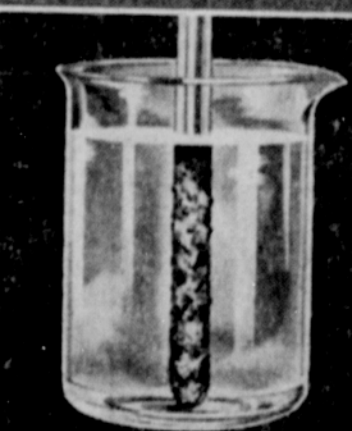

stops rust

Before rust stops you

Your car's rust zone

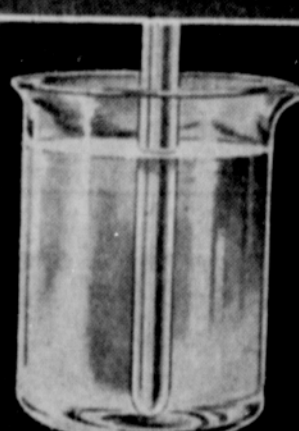

World's first rust-proof gasoline

contains amazing
Sinclair RD-119

RUSTED IN ORDINARY GASOLINE

This steel rod is heavily coated with rust after special 48-hour laboratory test in ordinary gasoline containing a small amount of added water. Rust also attacks the gasoline tank and fuel system of your car.

PROTECTED IN RICHFIELD GASOLINE

Rod shows no sign of rust after an identical 48-hour laboratory test in Richfield gasoline containing amazing RD-119. Before test, the same amount of water was added to prove conclusively the superior protection you get with Richfield Rust-Proof gasoline.

SEE THIS SENSATIONAL PROOF AT YOUR RICHFIELD STATION

Ask your Richfield dealer to show you this visual proof of how new Richfield Rust-Proof gasolines with RD-119 protect the fuel system of your car from being strangled by rust!

Again Richfield is first with a "Years Ahead" development in gasoline!

Richfield gasoline—with amazing RD-119—STOPS rust and corrosion your car's vital "rust zone."

What causes rust? Rust and corrosion result from moisture in your gasoline, caused largely by condensation.

What damage does rust do? 1. Rust ruins gasoline tanks and other fuel system parts, causing costly repairs and replacements... 2. Rust clogs fuel lines, screens and carburetor jets, causing rough idling, poor mileage and loss of power and performance... 3. Rust particles cause wear on precision parts in fuel pump and carburetor, causing frequent costly overhauls and replacements.

How does RD-119 prevent rust? It coats the inside of your car's fuel system with an invisible, polymolecular protective layer that prevents rust.

Protect your car! Fill up with Richfield—the only Rust-Proof gasoline—today.
