CRESWELL

(Mrs. Norman Skaggs, reporter, phone Creswell 533)

Mrs. H. N. Traxler has been appointed general chairman of the Creswell area for the current March of Dimes drive. Folders will soon be mailed and collection bottles placed.

The fire department answered a call to a fire at the home of Mrs. Florence Emmons Friday evening. No damage was done.

Evangelistic services are being held each night this week at the Assembly of God Church. The mid-year conference of the church will be held at Corvallis next week. Rev. and Mrs. Ward Wood plan to attend.

Swimming classes will be resumed for grade school students this week. Vernon Peterman will be in charge and the boys will swim Monday evening and the girls Wednesday evening.

There will be no school Thursday, January 12, while the teachers attend a workshop on instruction of handicapped children.

City council met Friday evening and closed the old year's business. V. W. Johnston, Ted Walkup and Arthur Johnson were sworn in as councilmen. Walkup and Johnston were re-elected and Johnston takes the place of E. E. Allen, who is retiring. Mayor F. A. Everson appointed the following committees: water, C. Scarbrough; Johnston and Johnson; streets, Johnston, Johnson and Walkup; finance, E. R. Lawrence, Scarbrough and R. M. Carpenter; police, Walkup, Carpenter and Lawrence; health, Carpenter, Lawrence and Johnston; judiciary, Johnston, Walkup and Scarbrough. The possibility of housing the city library in the city hall was discussed but tabled until the next meeting. The discussion of setting up a planning committee for the city was also postponed until next meeting.

Mr. and Mrs. Carl Meissner and family have rented the Ward Wood property on A street. Cloverdale club met Thursday and the new president, Mrs. Gus Sledge, appointed the committee for the year. New Pollyanna names were drawn. The group will meet for quilting on January 19.

Sisterhood of the Christian Church met Wednesday afternoon and made plans for the new year. Mrs. S. Claborn, the new president, appointed committees and the group planned to hold a special meeting, January 18 for quilting. Officers were appointed by noble grand elect, Harold Johnston, at Odd Fellows Wednesday evening. Installation will be held jointly with the Rebekahs on January 18.

Mrs. Roy Peterson was initiated at Auxiliary to Veterans of For-

eign Wars Monday evening. Mrs. Lynn Dingman, Mrs. Herb Turpin and Mrs. Art Taylor were also elected to membership. The charter was draped in memory of Mrs. Grace H. Davis, national secretary for 19 years. A clam chowder will be enjoyed at the January 17 meeting.

Parent-Teachers Association of the high school enjoyed a pot luck supper at the high school building Monday evening. The group will hold a public dance in the gymnasium, Saturday evening, January 21. Admission will be students 35c, and adults 75c. Refreshments will also be sold. Proceeds will go into the PTA treasury. Members are asked to bring sandwiches to be sold that evening. A silver offering was taken to buy a silver gift for the Roy Graham's, who recently lost their home and household goods.

The band played several numbers for Mothers club Friday afternoon and Beverly and Sten Mawson, Nancy Carpenter, Candace Blair, Cherry Olson, and Barbara Young were presented in tap dancing numbers. At the business meeting the group voted \$5 to the March of Dimes.

Mrs. D. J. Thompson of Carpio, N. D., and Mrs. Melvin Bronis of Vaughn, Washington visited last week with their aunt, Mrs. Annie Harold and Miss Shirley Harold. The C. J. Collem family spent the holidays at Pismo Beach, California and the J. R. Sellers family were at Chico, California.

The Roy Graham family has rented a home in the Holbrook addition.

George Stratton has returned from Montana and plans to settle in Creswell.

LeRoy Achey was called to Portland the first of the week by the death of an aunt, Mrs. Henry Achey.

Mrs. C. I. Kent, Mrs. Louise Land and Mrs. Opal Stott entertained Dorcas Circle of the Methodist Church at the Kent home Wednesday afternoon. The birthdays of January were honored.

Mr. and Mrs. H. N. Traxler and Mr. and Mrs. C. C. Taylor and family spent last week end at Sacramento with relatives.

The old and new executive committees of Civic club were entertained at the home of Mrs. H. S. Joslin Monday afternoon and plans were made for the year.

The Star Theater will close January 15 for repairs and remodeling. The theater will be closed for several weeks.

Makes Cancer Find

AN ASSOCIATE of the Institute of Cancer Research in Philadelphia, Dr. Irene Corey Diller is pictured at a meeting of the American Association for the Advancement of Science in New York. Dr. Corey reported finding fungi present in every type of human cancer studied in her laboratory during past 18 months. She warned that the test were not conclusive. (International)

MOSBY CREEK

Mrs. Harry Castle, reporter
Phone 19F12

The only news on Mosby Creek this week seems to be snow and more snow with our telephone light lines down. A large number of share holders on the 3 telephone line running up Mosby Creek spent the whole week end fixing up lines and a good job they did too. Also how thankful we were to see our lights come on at 9 o'clock Monday night.

David Ward has been ill with the mumps.

Junior Jackson has visited several days with Leon Lancaster at the Harry Castle home.

The birds have been having a good time in the Ben Davis apple tree at the Castle home. Every farm should have a tree as they are never picked.

Barbarians

The word "barbarian" often used today to express another person's bad manners, brutality, or lack of taste, originated in ancient Greece. The Greeks considered anyone who was not a Greek a barbarian, and, to the Romans, a barbarian was anyone who spoke neither Greek or Latin.

Care of Potted Plants Listed By Specialist

Keeping your Christmas-blooming potted plant in a cool room at night and near a window during the daylight hours will greatly increase its life, suggests R. Ralph Clark, O.S.C. extension horticulture specialist.

Most Christmas plants such as poinsettias, begonias, azaleas, African violets, chrysanthemums, and kalanchoe, the specialist adds, are grown in greenhouses where the temperature is 60 degrees at night; 70 during the day. Lasting quality of the blooms is excellent under these conditions primarily because the plants "burn up" stored food relatively slowly during the cool nights.

Conditions similar to these will give best results with blooming potted house plants, the specialist states.

Drafts are hard on some plants, especially poinsettias.

As an indication of when to water, Clark states that as a potted plant dries it shrinks away from the pot. Consequently, tapping the clay pot with the back of a knife or similar object will produce a clear ringing tone. A dull sound indicates the soil is wet.

If plants are kept in extremely warm surroundings, it may be necessary to water them daily. Slightly warm water is recommended for use under these conditions. Avoid splashing water on foliage of African violets since a white marking or discoloration often develops as a result.

Using cold water to water a plant under warm conditions produces shock, the specialist concludes.

Treat Before Painting

Before painting, new galvanized metal surfaces need to be brushed with a special solution. This can be a fairly strong vinegar solution, a solution made up of eight ounces of copper acetate, or copper chloride or copper sulphate in a gallon of water. There are also solutions manufactured especially for the purpose which are available at paint stores.

Less in Bank

"Emergencies and sickness" were named by many people as a cause for their having less in government bonds and bank accounts in 1949 than they had in early 1948.

Used Car Prices

The average sales price of all makes of used passenger cars sold in this country more than tripled in the eight year period ending in 1948 when it reached a peak of \$1338.
