from THE SMART SHOP "Where Smart People Shop"

Remember the old song that goes "Are you havin' any FUN? What you gettin' out of livin'?" What good is what you've got, if your not—havin' any FUN? Some people suggest that if I would work more and spend less time having FUN that I'd get along faster. But you only live once, and at best, there isn't too much time to have FUN. Now I've thought of a way to get a task accomplished and still have a little FUN. We are getting tired of seeing our BLUNDER RACK so we decided to get rid of it for awhile so—we are going to REDUCE the prices on the rack 50c every 5 days until it is gone. The top price on the BLUNDER RACK at this time is \$5.95 so it can't last too long. Come on in and let's have a little FUN. While you are here we have many new things that we would be pleased to show you and they are priced right too.
