Miss Beverly Asher  
Weds Robert Hite

Coming as a surprise to their many friends was the wedding of Miss Beverly Asher to Robert E. Hite Saturday night, April 1, at 7:30 o'clock in the parlor of the Methodist church. The Rev. Frank Brown officiated at the single ring ceremony before the immediate relatives of the couple. The bride is the daughter of Mr. and Mrs. Harold Asher and the bridegroom is the son of Mr. and Mrs. Earl Hite, all of Cottage Grove.

The bride wore a navy blue suit with navy and white accessories and also a white orchid corsage. Her only jewelry was a double strand of pearls, a gift of the bridegroom.

## 4-H Forestry Champions Know Woodlot Potentialities

One of 1949's state 4-H Club forestry champions and a local club advisor examine young pines that started him out on a forestry career. Four-H forestry lessons will later pay dividends in regular cash crops harvested on well-managed farm woodlots.

As an incentive to local farm boys and girls to turn their woodlots and small timber tracts into money-making properties, four college scholarships of \$300 each are being offered again this year in the 4-H Club forestry project. All 4-H Club members, working under Extension Service supervision and enrolled during the current year in a 4-H Club forestry project, are eligible to compete for national awards.

As in previous years, top awards will be made on a sectional basis to the boy or girl having the best forestry record in each of the four Extension Service sections of the Nation. In addition to the scholarships, national winners will be given all-expense-paid trips to the 29th National 4-H Club Congress to be held in Chicago, November 26-30 inclusive. Medals will be awarded to each state winner.

This is the third consecutive year American Forest Products Industries, a national non-profit association of wood-dependent industries, has sponsored the 4-H Club forestry project. In the past two years' competition, eight of the college scholarships and free trips have been won by farm youths from the states of Arkansas, Georgia, Idaho, Montana, New York and Wisconsin, the latter two states having had national winners both years.

"It is most gratifying to see the upsurge of interest in forestry that is being shown by 4-H Club members everywhere," declared Charles A. Gillett, managing director of American Forest Products Industries, in announcing the association's continuing sponsorship of the scholarship awards for 1950. "These young people are learning the basic fundamentals of sound timber management and how to apply them to the farm woodlots of America. Certainly this assures an even greater progress in private forest management in the next half century and an ever increasing wood supply for this Nation and the world."

The local county extension agent will supply detailed information about the 4-H forestry project and the 1950 awards awaiting those boys and girls who excel in forestry.

## COOKERY CORNER Add Spice To Your Cooking

By ALICE DENHOFF

AS WITH clothes, it's the extra touch, the dash of imagination, that lifts food from the commonplace. Its sources are many and varied and often hard to define, but care and experiment are sure to bring results. No matter how basic the foods, how simple the meal, it isn't too difficult to give it both eye and palate appeal. So let us from time to time review the possibilities of obtaining and adding those important little improvements.

First of all, be creative about seasonings and flavorings. Taste and then taste again, is the first rule. And a close second is be cautious, remembering that seasonings should never be obtrusive. They should enhance the flavor, not dominate it. Start with simple items such as dry mustard. A little dry mustard with certain meats or to tone up a sweet salad dressing, gives a wonderful tang. If you'll add 1/4 tsp. dry mustard, a small onion and a tsp. molasses to canned baked beans and bake them slowly with 2 or 3 bacon strips on top you'll have a dish that is tops and that would appeal to any gourmet. For there is nothing as good as simple food, superbly prepared.

**Celery Seed**  
Try adding a blade of mace to spinach, putting a little celery seed in your potato salad, adding—at the last moment—a little curry powder to an omelet.

Taffeta and georgette.

By VERA WINSTON

A GOOD choice for the traveler is this two-piece setup that makes a good late afternoon into evening job. The blouse is of flesh pink georgette and has horizontal tucking below a very simple round neck that barely covers the shoulders. The navy taffeta skirt is pleated all around, and the belt, of crushed navy taffeta, is leather lined.

## CHATTER from THE SMART SHOP "Where Smart People Shop"

"It takes a heap of livin' to make a house a home" and it takes a heap of PLANNIN' to manage a specialty shop. Last November we started PLANNING for your Easter needs. We looked and we planned and we wondered just what YOU would like (it takes a lot of looking and PLANNING to choose for YOU because most of you don't know yourself just what YOU want). And so for five months we have looked and PLANNED and we are very proud of the merchandise which we have to offer you for Easter. Suits from 14.95 to 19.95 — dresses from 7.95 to 24.95 — blouses from 3.25 to 3.95 — purses from 3.50 to 10.00 and accessories and underthings at prices YOU like to pay. We've been so interested in PLANNING for Easter that we almost forgot to tell you that on April 10th we are starting our eighth year in business and to remind you that YOUR Patronage is very much appreciated.
