The program was exceptional with numbers by the members of the Sunday school and extra special music by the instrumental orchestra and individual singing by Mrs. Lois Abeene, and Cliff Foster, Phillip Higdon and son Doyle played "Holy City" on trumpets. Other members of the orchestra included Anne Hill on the piano, Phyllis Higdon, baritone and Harper Casler, trombone, who added to the program with especially good music.

Other visitors of the community called during the afternoon and a reporter from a Eugene newspaper for pictures of the fish pond recently stocked with game fish.

**QUESTION:** Suppose I insure my home for \$10,000. Does that mean that if my home is totally destroyed by fire, the insurance company has to pay me the entire amount?

**ANSWER:** No, the insurance company will pay you only the value of the property at the time of loss and only up to the face value of the policy. No insurance policy allows the insured to profit by a fire loss.

★ If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.
