YOU'RE TELLING ME!

By WILLIAM RITT
Central Press Writer

DEMOCRATIC TEXAS has elected a GOP candidate to Congress. This proves the boast of the Lone Star State that it has everything—even a Republican.

With so many persons trying to find a cure for the common cold it's surprising we aren't all too busy to catch one.

It would seem Ontario has the prize dough boy. He's a 10-year-old who defeated a field of 10 girls in a cake-baking contest.

A Russian publication raises its voice in praise of the late author Mark Twain. Next thing we know, Pravda will claim

that Moscow invented Tom Sawyer and Huckleberry Finn.

A Massachusetts cow chased four persons up a tree. Bessy, after all, needn't have been that bossy!

On reading the above, Zadok Dumkopf says that sounds like a tougher bit of beef than they serve at the corner beanery.

Florida, we read, has a chimpanzee that can say three words. As a loyal resident of the Sunshine State those words no doubt are: "Vacation in Florida!"
