

Church ACTIVITIES

Hebron Christian church - Little church by the lake. P. M. Campbell, pastor. Jess Hill, Sunday school superintendent. Jess and Carrie Hill, Young peoples' sponsors. Young peoples' meeting 7:30 p.m. Thursday. Adult Bible study 8:00 p.m. Wednesday.

We feel that God blessed us in our Bible school venture. It was amazingly successful for a first attempt. Thirty-three was the daily attendance. Sunday the church was decorated with an interesting display of handwork made by the children. The children sang three songs. Francis Rothauge and Jay Heyen, who won first and second in the memory work contest recited Bible quotations.

It was church day for the Hebron Grange who attended services in a body after which they were hosts at a picnic for the church. The bountiful meal was served at a long table in the Grange hall.

"Christian Science" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 25.

The Golden Text is, "How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good that publisheth salvation" Isa. 52:7.

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The preparations of the heart in man, and the answer of the tongue, is from the Lord" (Prov. 16:1) together with the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The illuminations of Science give us a sense of the nothingness of error, and they show the spiritual inspiration of Love and Truth to be the only fit preparation for admission to the presence and power of the Most High" (p. 596).

Elder Lloyd Biggs SDA President Is To Head Meeting

Elder Lloyd E. Biggs, Oregon state president of the Seventh-day Adventist church, is leading out in the organization and program of the annual Adventist Camp meeting for Oregon. It will be held at Gladstone Park, Gladstone, Oregon, just outside of Portland, June 22 to July 1, according to Ernest Darnell, local church elder.

Walter Blehm, pastor of the local church, left June 5 to take part in the extensive preparations on the 73-acre campground, where nearly 2,000 cabins and tents are being readied for the expected attendance of 6,000 during the week, and from 12,000 to 15,000 on week ends. The Camp Meeting traditionally held the third week in July has been advanced on account of the Adventist World conference in San Francisco in July.

Those planning to attend the Camp Meeting from the local church include Mr. and Mrs. Frank Doleman, Mr. and Mrs. Roy Stephens, Dr. and Mrs. Marlowe Schaffner, Dr. and Mrs. Stanton Oberg, Mrs. Della Crane, Mrs. Lillian Stockwell, Mrs. Jim Doleman, Mrs. Lloyd Baum, Mr. and Mrs. E. The new telephones put in daily mean more value for all. You can reach more people... more can reach you.

HE'S MAKING YOUR TELEPHONE A BETTER BARGAIN

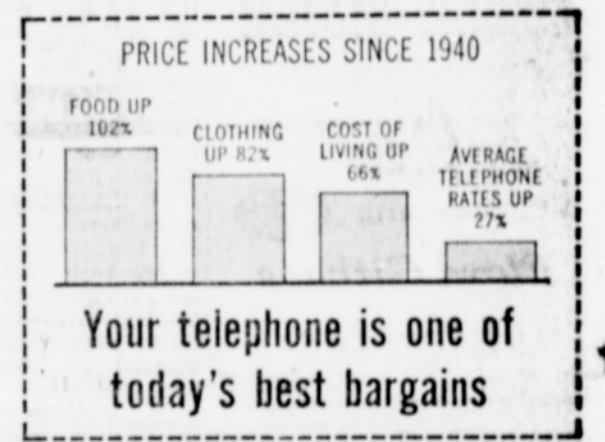

How your service grows more useful as we add new telephones

1. In the ten busiest years we ever had, the West's population jumped more than fifty per cent. Telephone service grew even faster... the number of telephones at work in the West has doubled. And we built this new system in the face of inflated postwar costs... for we can't, in contrast with most businesses, defer the addition of plant just because the cost is high.

2. You may never call this particular telephone... but it's pretty certain you will want to call or hear from some of the telephones we're adding. As the West grows, new people come into your town... others move their homes and businesses... so it is necessary for us to do our best to keep pace with the growth of your community to make sure you can call whom you want, when you want.

3. As a part of a bigger system, your telephone is a bigger value today... particularly when you consider the low rates you pay for service. Long distance telephone rates actually decreased between 1940 and 1946. And, while the increases in local and long distance rates since 1946 vary, the average for the territory we serve has been only 27 per cent. Your telephone still gives you a big value for your budget dollar. It's one of today's best bargains.
