## Better Growth with TRIANGLE Poultry Feeds

"I have been using Triangle feed for the last three years. I have been a poultryman for 26 years and have in that time used all kinds of poultry feeds, but no feed gives me the satisfaction of Triangle. For starting chicks it is fine. They like it and develop faster with very little loss."

Yours truly,  
**John Sitzmans**  
P.O. Box 279, Portland, Ore.

## Let the Groundwork for a Better Laying Flock

The present growing shortage of eggs means better profits for you if you develop a better laying flock. Triangle developing feed in mash or pellet form is built to supply your growing pullets with a better body reserve so essential for future egg production.

All Triangle poultry feeds are fortified with Animal Protein Factors Supplement.

"God" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday July 2. The Golden Text is, "Exalt the Lord our God, and worship at his holy hill; for the Lord our God is holy" (Ps. 99:9).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "I am the Lord; that is my name; and my glory will I not give to another, neither my praise to graven images" (Isa. 42:8), together with the following correlative passage from the Christian Science text-book, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "It is only a question of time when 'they shall all know Me (God), from the least of them unto the greatest'" (p. 242).
