

THANKS, "W.A."

... For Cottage Grove's Beautiful New
W. A. WOODARD LIBRARY

This enduring structure is an expression of your faith in the future of our community and its people. Few cities in the Northwest can boast an industrial leader so public spirited as to donate, in its entirety, a complete and permanent library. It unquestionably will become the cultural center of Cottage Grove and prove of immeasurable assistance to the city's present educational facilities.

On behalf of South Lane County, again, *Thanks, "W. A."*
