

State Civil Service Jobs Are Available

Opportunities to begin a career with the State Tax Commission or the State Library are being offered Oregon residents, according to an announcement today by the State Civil Service Commission that three classes of positions with many promotional possibilities were open for competitive examination to qualified persons.

The three classes are Income Tax Auditor I, starting salary \$250; Appraisal Engineer I, starting salary \$280; and Librarian I, starting salary \$210. Each class is the beginning level in a series of classes that climax with a position of major responsibility in the state government of Oregon. Promotion is granted on the basis of merit and fitness.

Information and application forms may be obtained from the State Civil Service offices—102 Public Service Building, Salem or 614 Mead Building, Portland—or any local Oregon State Employment Service office. Last date for filing for the Income Tax Auditor I examination and the Appraisal Engineer I examination is July 15, 1950; for the Librarian I test, also open to residents of other states the last filing date is July 29, 1950.

World War I was declared officially over by President Warren G. Harding on July 2, 1921.
