CIRCLE M RANCH — Located on Row River about 20 miles from Cottage Grove. This place is a sportsman's paradise. It was at one time operated as a dude ranch and recently purchased by the present owner who has spent a lot of money and considerable time in reconditioning the property. Situated in a recreational area near the Bohemia district where excellent fishing and hunting abound. The house and outbuildings have been reconditioned and modernized throughout. Modern conveniences consist of PUD electricity, school bus and mail route. Located in close proximity to good stores and public school. Price \$15,000. 1/2 down and the balance on easy terms.

\$500. DOWN — If you're tired of paying rent and have \$500, now is the time to secure an equity in a home of your own. Most people have had many opportunities to buy a home but have always found an excuse to spend the down payment on something else and have often paid enough rent to own a home. This house is not completely finished but livable, has 2 bedrooms, located near schools, over size lot. You may pay the balance like rent.

"YOU DID US A FAVOR" — Bill said, "when you sold us that acreage a year ago. We've picked up a lot of extra money selling berries and eggs, and we have cut our grocery bill \$20. a month." You, too, can do the same things that Bill did and more with the property described below. You can have your own milk, butter and fruit and a pig or veal for the larger next fall. Yes, folks, the opportunity is there if you will cash in on it. There is 40 acres of ground, approximately 20 of it is cleared and tillable and partially seeded to permanent pasture grasses. There is a diversified bearing family orchard. There are several year round springs on the property that could be used for irrigation. The house has 6 rooms and a bath. Water for household use is pumped by pressure from a deep well. A very good 7 stallion barn, a chicken house and a 2 car garage, and it's worth the asking price of \$6950.—or owner will consider trade for Cottage Grove or Eugene property.

ATTENTION G.I.'s — We have a comparatively new house located outside city limits. It has oversize living room, nice modern kitchen and dinette, 3 bedrooms, tub bath, and a sizable utility room with tubs. Is wired for range. One car garage. Water for household use from deep well with pressure pump. The asking price \$6500. Will qualify for Vet's Loan or owner will accept \$1500. down and the balance payable like rent.

UMPUKA RIVER FRONTAGE—6 1/2 acres more or less located near Elkton. Several hundred feet of river frontage. Ideally located for a resort or summer home. Presently there is a 4 room unfinished house on the property. Asking price \$4950.

OUTSIDE CITY LIMITS — With city conveniences. Oversize lot with ample garden and berry ground. Shade trees. Well arranged three bedroom home with large living room, dinette, kitchen, bath and utility. Overs
