

THANKS FOR EVERYTHING

We, the members of the Cottage Grove Riding club wish to publicly extend our thanks for the friendly interest, the aid and cooperation extended the Cottage Grove Rodeo. It is our hope that this can be made into a wholesome community event; an event in which the entire North Douglas-South Lane County area can be proud.

Not only do we appreciate the public support given the rodeo during the past years, but we are deeply grateful for the cooperation and interest shown by the Cottage Grove business people in agreeing to close their places of business so that store employes may see the rodeo on Saturday the 15th, if they so desire. It is our hope that we can put on an entertainment that will merit 100 per cent cooperation from every one in the future years to come and it is not our desire to promote discord or factions within the community by asking you to support a so-called community event with which you are not in accord. You be the judge.

The following stores and places of business agreed to close their places of business on Saturday July 15th:

From 11:00 a.m. to 11:30 a.m. during the parade

From 1:30 p.m. to 5:00 during the afternoon rodeo, reopening at 5:00 p.m. and remaining open until 7:00 p.m. (The two-hour reopening period following the rodeo, however, is optional with the individual merchant.)
