\$500. DOWN—If you're tired of paying rent and have \$500, now is the time to secure an equity in a home of your own. Most people have had many opportunities to buy a home but have always found an excuse to spend the down payment on something else and have often paid enough rent to own a home. This home is not completely finished but liveable, has 2 bedrooms, located near schools, oversize lot. You may pay the balance like rent.

DIVERSIFIED FARM — 69 acres (more or less) of rich, river bottom soil, all tillable. Place is all fenced and cross fenced. Most of the land can be irrigated. Utilities consist of electricity, RFD, school bus, cream route, 20 acres of young orchard, 20 acres seeded to vetch, 20 acres oats, 14 acres clover. Two good barns, two chicken houses with capacity of about 1200. Modern farm house in fair condition. Pressure water system for household use. Grade A dairy set-up. New 8 stanchion milking parlor, cooling room. If more of the land were seeded to permanent pasture this place would run up to 30 head of dairy cows, 9 head of grade dairy cows and all farming equipment in good condition. Price \$29,500—half down, balance in annual or semi-annual payments to be arranged.

SHRUBS, FLOWERS, SHADE TREES—and many other attractive features make living easy in this middle-age modern home. Located on paved street, oversized lot 100 x 100 ft., secluded back yard, basement, furnace heat, plastered walls, large living room with fireplace, dining room, sizeable nook, convenient kitchen with worlds of built-ins, large sink with garbage disposal unit, 3 bedrooms, large garage with concrete driveway. Can be purchased with drapes and floor coverings. Fine quality rugs, in excellent condition, on living and dining rooms, wall to wall carpets on 2 bedrooms. Price \$9,500, and very attractive terms.

REASONABLE AND EASY—\$500. moves you into this modern, two bedroom home. Located in restricted district. Large lot, shade trees, L-shaped living room with fireplace and floor furnace, Dinette, very modern kitchen, tub bath, breakfast nook, large garage with cement floor and driveway. You may pay the balance like rent.

"YOU DID US A FAVOR" Bill said, "when you sold us that acreage a year ago. We've picked up a lot of extra money selling berries and eggs, and we have cut our grocery bill \$20. a month." You, too, can do the same things that Bill did and more with the property described below. You can have your own milk, butter and fruit and a pig or veal for the larder next fall. Yes, folks, the opportunity is there if you will cash in on it. There is 40 acres of ground, approximately 20 of it is cleared and tillable and partially seeded to permanent pasture grasses. There is a diversified bearing family orchard. There are several year round springs on the property that could be used for irrigation. The house has six rooms and a bath. Water for household use is pumped by pressure from a deep well. A very good 7 stanchion barn, a chicken house and a 2 car garage, and it's worth the asking price of \$6950.00—or owner will consider trade for Cottage Grove or Eugene property.
