God has given us the most wonderful book in the world, the Bible. It is an inspired volume. "For the prophecy came not in old time by the will of man; but holy men of God spake as they were moved by the Holy Spirit." (II Pet. 1:21). Most homes have a copy of the Book. But even those who attend church and Sunday school are not studying the Bible like they should. The cause of most religious confusion and division is primarily because people are not studying their Bibles. Let us resolve to read the Bible more.
