Labor day was spent quietly by most folks in the community, who were content to just stay home an extra day.

The S. T. Clark family returned from the bean field at Coburg to prepare for school days. Bob Clark, no relation, of Los Angeles visited the family the past week and returned Sunday. He was accompanied by Grants Pass by Thelma Johnson and Gloria Clark. Miss Clark was returning to Pepperdine Christian College for her senior year after spending the summer here.

Mr. and Mrs. Roy Edde spent the Labor day week end at their place here making plans for a vacation trip to eastern Oregon next week to visit Mrs. Edde's parents. Both are employed in Eugene.

To Run Railroads

Karl R. Bendetsen

ASSISTANT ARMY SECRETARY Karl R. Bendetsen has been named to run the nation's railroads. This action followed President Truman's order to the Army to seize and operate the railroads to avert a nationwide strike. (International)

The southern accent of Arkansas and Oklahoma was predominant Saturday night at a gathering at the Tolly Manning home, in a farewell party for the Rupert Lynch family which left Sunday for Merton, Arkansas. The evening was spent in visiting and taking turns at the ice cream freezer for old fashioned home made ice cream, cookies and apple pie that was served for refreshments. Those attending were Mr. Lynch's parents, Mr. and Mrs. Mike McCall and two girls; Blue Lynch's mother, Mrs. Mollie Blue and Mr. and Mrs. Crawford Bost and Mr. and Mrs. Clarence Leathers of London, Mr. and Mrs. Lynch have spent the summer here.

A flowering orchid cactus blossom that measured 8½ inches across was admired by friends last week at the home of Mrs. Fred Mills. Two other blossoms measured a close 8 inches across. They are a deep scarlet in color with a deep rose heart. The plant is similar to a Christmas cactus tho having only a few blooms and of such enormous size. But it blooms three times a year.

Mrs. Mills also has gladioli stalks of three to a single planted bulb, as well as many double stalks. A freakish feature of the gladioli patch is the corkscrew curves on many of the stalks, which is unaccounted for as staking was done only recently after the curls were complete.

Mrs. Cliff Foster is at home with her new baby daughter, Randee Melissa, born Saturday night in Cottage Grove. The baby weighed six pounds.

Mr. Foster will not drive the high school bus this year. Donald Shogren of Cottage Grove will drive this first week. Who the driver will be after that was not learned.

Mrs. Nora Henderson has returned home from five weeks visit at Lakeview with her daughter, Opal.

Gerald Banton and Charlie Marlow of Eugene spent the holiday Monday with J. E. Banton and Harold Abene at London. Mrs. Abene is still away and expects to visit her daughter, Mrs. Glen Stimmler in Tennessee before returning home.

Mr. and Mrs. Glen Banton attended the wedding in Eugene Thursday of a nephew, Calvin Banton.

Mr. and Mrs. Art Kulm and children, Kenneth and Judy of Cottage Grove, Mr. and Mrs. Larry Haynes and daughters, Jane Anne, Eva Mae, and Cleo Larain of Black Butte route and Mrs. Frank Haynes of Cottage Grove spent Sunday at Cottage Grove lake boat riding.

Callers at Mr. and Mrs. Larry Haynes Saturday evening were, Mr. and Mrs. Bill Mason and daughter Vickie and Billie Jr., of Eugene.

Mrs. Vern Shortridge entertained Sunday honoring the birthday of Mrs. Liffie Small. Present to enjoy the occasion were: Mmes Ella Willis, Minnie Jones, Mary Newton and daughter, Miss Ethel Ann Newton and the hostess, Mrs. Shortridge.

Mr. and Mrs. Donald Knauss are moving to the Woodard camp.

CURTIN

Mrs. Grace Thompson, Reporter
Phone 1276

The Mill cabin which was occupied by Mr. and Mrs. Morris Billings and family was completely destroyed by fire last Wednesday forenoon.

The washing off the back porch and the baby buggy were all that were saved from the building which was a complete mass of flames inside within a few minutes. Quick response of neighbors and mill men helped until the Drain fire department arrived on the scene. Only by dampening the adjacent buildings were they saved.

Several trees caught fire and were later felled for safety. The Billings family was able to find a cabin on the Gilman place and

by Friday evening were able to set up housekeeping again.

The Curtin citizens again proved their ability to help someone in need as did several people from Drain and elsewhere. Even the three mill crews and office personnel put up a cash donation as well as several local citizens. Mr. and Mrs. Billings express their thanks to each and everyone of you who responded so quickly to their urgent needs and everything was greatly appreciated.

Also to the Drain fire department and all others who helped keep the fire from spreading. Mr. and Mrs. Billings say they feel lucky to live in a community where people are so well.

Mr. and Mrs. Gene Remington, Mrs. Lulu Orey, and Mrs. Gloria Kirtley, accompanied by Mrs. Theo. Robinson who had been

visiting here for some time returned Mrs. Robinson to Portland last Friday. Mrs. Orey, Kenney Remington and Mrs. Robinson had recently spent two weeks vacationing at Newport. Enroute home the group visited Mr. and Mrs. Bob Anlauf at Harrisburg.

Mrs. Carol Stephens of McMinnville spent the past week end here at the Ray Stephens home.

Mr. and Mrs. James Nelson have recently purchased the Oscar Newlum place with the exception of ten acres which the Newlums are keeping. Mr. and Mrs. Newlum, Bruce and Neal left Tuesday for California. Mr. and Mrs. Gene Overton are living in the Nelson home.

Mr. and Mrs. Everett Falk, Barbara, Carole and Larry of Junction City visited Sunday at the Eldon Thompson home.

Roy and Ted Stephens went to Portland Sunday to a Fly-in breakfast and air show.

A big shovel was brought in Friday and was being used Saturday through Monday to clean the pond.

Mr. and Mrs. B. L. Maley of Loring are receiving congratulations on the birth of their third child, a son born August 30. Mr. and Mrs. Maley lived here a few years ago.

Mary Lou and Donna Faye Stephens have enrolled in the Adventist church school at Cottage Grove which starts Sept. 5.

Mrs. Helen Suiter entertained the neighborhood children Wednesday afternoon with a party at her home. After playing several games the children were treated to cool-

ade, cake and popcorn. Several of the mothers also helped supervise the group.

Mr. and Mrs. Clay Anlauf and family, Mr. and Mrs. Gene Remington and Kenny and Mrs. Lulu Orey spent the week end at Paulina lake in eastern Oregon.

The universal and absolute law is that natural justice which cannot be written down, but which appeals to the hearts of all.
