NUMBER 12

Overseas Christmas Packages Should Be Mailed by Nov. 15

Christmas packages for Army, Navy and Air Force military and civilian personnel stationed overseas should be mailed between now and November 15 to assure delivery by the holiday season, the department of defense announced today.

Greeting cards sent first class also should be mailed within the suggested period. Air mail deliveries will be handled on normal schedules, and greeting cards sent by air may be posted as late as December 1.

Gifts should be packed securely in boxes of metal, wood or strong fiberboard. Each should be plainly marked, "Gift Parcel." The addressee's name, together with a list of contents should be written on a slip of paper and placed inside the box.

The address should be placed directly on the box or wrapping and not on gummed labels, which may become moist and lost from the package. The weight limit is 70 pounds.

Members of the armed forces are amply provided with food and military clothing and the public is urged not to include such items in gift parcels.

Parcels for hospitalized combat-wounded personnel will receive special air mail handling, where possible, from ports to addressees.

To supplement Post Office transportation during the Christmas season the departments of the Army, Navy and Air Force will loan nearly 4,000 military vehicles to the Post Office department.

A Wisconsin farmer has a home-made "vacuum harvester" for picking up ladino clover seed. He harvested more than \$6,000 worth of seed and 20 tons of hay from 7 acres.

Speaker to Give Hints on Heating

On Tuesday, Oct. 31 at 8 p. m., John C. Campbell, housing specialist at Oregon State college, will hold a meeting at the Roosevelt Junior High school, 28th and Hillyard streets in Eugene. Everyone is invited.

O. S. Fletcher and Constance B. Blaine, county extension agents, state that Mr. Campbell will answer questions on heating your home. He will give an illustrated discussion of each of the types of heating systems now on the market. This will include stoves, floor furnaces, wall heaters, warm-air and hot-water central heating, radiant panel heating, baseboard heating, reverse-cycle heating and electric heating.

Discussion of the various heating systems will include information on relative costs of installation, and advantages and disadvantages concerning convenience, cleanliness, comfort and overall satisfaction that can be expected from the system.

Hebron grange is inviting the community as well as other granges to their annual Booster night, Oct. 28. Preceding the program the officers will give their seating drill and other granges will be introduced. At the conclusion, pie and coffee will be served.

Latham school club is sponsoring a Halloween party at the school Friday evening. Games, such as bingo, fish pond and penny toss will be enjoyed at a small charge. Patrons will bring pie, and coffee will be served free. There will be a novelty booth also.

Latham school club has changed the date of the monthly meeting to the last Tuesday of the month. They will meet Oct. 31 at the school.

Word from the Jim Youngblood family states that they had a fine trip to their old home in Oak Grove, Ark., and were very happy to see their relatives. Mr. Youngblood has bought a milk route and they have moved on her brother's farm. All the children are in school again.

Mr. and Mrs. Gene V. Hansen went to Portland Monday en route to Port Townsend after having spent the week end at the homes of their parents, Mr. and Mrs. Hugh Trunnell and Mr. and Mrs. Ervin Hansen. In Portland they spent Monday night with her sister, Mrs. R. E. Yates. The Hansens took a trailer load of furniture to put in their new home.

Several hunters saved the day, both near home and in central Oregon by bringing in bucks.
