Lane County PMA Election to Be Held in Eugene Nov. 28

Election of various 1951 Production and Marketing Administration community committees and a 1951 Lane County PMA committee will take place during late November and early December, according to Ernest E. Schrenk, chairman, Lane County PMA committee.

Election meetings have been scheduled throughout the county as follows: Cottage Grove, Eugene, Elmira and Irving communities—Tuesday, November 28, at 1:30 p.m., 4-H club building, Lane county fairgrounds, Eugene, Ore.

Junction City, Springfield, Loran and Pleasant Hill Communities—Wednesday, November 29, at 1:30 p.m., 4-H club building, Lane county fairgrounds, Eugene, Ore.

The primary purpose of these meetings is the election of 1951 community committees and a delegate and alternate delegate to the county convention to be held in the local PMA office, Public Market Bldg., Eugene on Saturday, Dec. 2. The 1951 county PMA committee will be elected at this December 2 meeting.

Schrenk urges all farmers who are eligible to keep the election meeting dates in mind and come out to vote. Schrenk added that, in his opinion, the elected farmer committee method of administering farm programs is one of the most democratic and most effective steps in agricultural program development and operation in that it recognizes and uses the basic principle of democracy—allowing people concerned to run their own show.

Schrenk defines an eligible voter as any owner, operator, tenant or sharecropper on a farm which is in any program administered by the county PMA committee.

Other business at these meetings will include discussion of the proposed 1951 conservation program in Lane county. Members of the present county committee will attend all meetings and the extension service will also be represented.

Fred G. Knox was unanimously re-elected president of the Lane County Agricultural Council at the thirty-fifth annual meeting. Representatives from 22 farm groups in various parts of the county met at the W.O.W. hall in Eugene on November 17 to elect officers and review the past year's activities.

A new vice president was elected, namely Tom Harper, of Junction City; re-elected secretary-treasurer was Harold Olson, of Willakenzie. The executive committee is now composed of all new officers: Ernest Schrenk, Creswell; Rodney Chase, Springfield; Robert A. Fish, Eugene; and E. H. Vogt, Junction City.

Summaries of the past year work were given by the three Lane County extension services: 4-H Club, Home Economics, and Agriculture.

Mrs. Nannie Smith Services Saturday

Mrs. Nannie Jane Smith, a resident of Cottage Grove for the past 33 years, passed away Wednesday, Nov. 22, following a short illness, at the age of 81. She was born Nannie Jane Hill, Sept. 3, 1869 in Calloway county, Missouri, and married there to Edward L. Smith on March 30, 1892. Mr. Smith preceded her in death in 1928. Mrs. Smith was a member of the local Baptist church.

Survivors are one son, Marvin Smith of Albany; two daughters, Mrs. Mabel Helliwell and Mrs. Pauline Nelson, both of Cottage Grove; four grandchildren; one brother, Roland Hill of Tacoma and two sisters, Mrs. Lucy Hamblin of Tacoma and Mrs. Dolly Pettitt of Bellingham, Wash.

Services will be held Saturday, Nov. 25, at 2:30 p.m. at Mills Mortuary with interment in the Cottage Grove IOOF cemetery.

Funeral services for Ben M. Hawley, 78, will be held Friday, Nov. 24, at 10:30 a.m. at Mills Mortuary, with burial in the Cottage Grove IOOF cemetery.

Mr. Hawley passed away Saturday, Nov. 18, 1950 at Redlands, Calif. He was born on Row River, near Cottage Grove, Oct. 8, 1872, the son of W. W. and Carrie Wells Hawley, his mother being the first white girl born in Lane county. He was married at Grass Valley, Oregon in 1898 to May Daugherty, who survives him. He had resided in Yucalpa, Calif. for the past three years.

Besides his widow he is survived by one son, Lawrence of Nyssa, Idaho; two grandchildren; two great-grandchildren; four brothers, Herbert of Cottage Grove, William of Loran, Bird of Idaho and Ralph of Cottage Grove; five sisters, Mrs. Minnie Culp and Mrs. Christina Cook, both of Santa Cruz, Calif.; Mrs. Orpha McCaughey, The Dalles; Mrs. Katie Willis, Fair Oaks, Calif.; and Mrs. Mary Hammersley, Victorville, Calif.

Major Roy Gilbert Murry, a former resident, passed away Nov. 1 at Tacoma, Wash., following a long illness. He was born June 18, 1907 at Sumas, Wash., and came to Cottage Grove at the age of one year. He graduated from the local high school and Oregon State college, and was a veteran of World War II. Following the war he remained in the service and was a major at the time of his death. He was married to Agnes Ault in San Francisco in 1939.

Surviving are his widow; one daughter, Eugenia, 10; one son, John, 3; mother, Mrs. Emma E. Murry, Cottage Grove; and one brother, Earl Murry, Cottage Grove.

Funeral services and burial were held at Fort Lewis, Wash., on Nov. 3.

Vets in Hospitals Will Appreciate Christmas Gifts

A call for gifts for servicemen in nearby Veterans hospitals has been issued by Mrs. C. A. Huntington, chairman of the Red Cross Lane county service committee.

Some of the favorite items mentioned by the men are home-made things, such as candy and cookies. Others high on the list are ties, bill folds, memo books, pipes, tobacco pouches, mechanical pencils, fountain pens, and coin purses.

It is suggested that all packages be gift wrapped, but each package must be labeled as to contents. Senders should mark their names on the outside so the receiver will know from whom it came.

Gift packages from this area will go to the Veterans hospitals at Roseburg and Camp White, Medford. There has been a request for 200 decks of used playing cards of the regular size and 100 decks of bridge size from the men at Camp White.

Persons wishing to send gifts to Oregon hospitalized veterans are urged to contact the Red Cross office in Eugene. The Red Cross will transport gifts to the hospitals.

Lillie Longfellow 42-Year Resident, Died November 21

WELCOME TO COTTAGE GROVE, GREGORY AND KATERINA

Until a few weeks ago, Thanksgiving Day meant nothing to Gregory and Katerina Braschynk and their six children. Living in a camp for displaced persons in Germany, they had no cause to be thankful other than to be glad they all were still alive and together.

Now, however, Thanksgiving Day has taken on a new meaning for the family. It means they have a home they can call their own. It means they have adequate food and clothing. For the children it means the fun of going to school and meeting other boys and girls. In short, Thanksgiving is truly a day for offering thanks.

But the Braschynks do not confine their expressions of gratefulness merely to one day—they are thankful for every day they are in this great and wonderful country. Not since they left their home in Ukraina seven years ago have they known security and happiness.

On behalf of the citizens of this area, we want to welcome Gregory and Katerina Braschynk and family to Cottage Grove on this Thanksgiving Day. We also are thankful—thankful that we might share with them and others from foreign countries the opportunity to live in America. We are proud to have you with us, Gregory and Katerina.—K.C.

STILL NEED FOR PLANNING

People are coming to the west coast and the Pacific northwest in increasing numbers to live and the best guesses are that a more rapid growth is immediately ahead, unless forestalled by some national emergency. Forward looking citizens believe that the best way to have orderly growth is to plan for it. Most localities have either planning organizations or committees set up for this sort of work.

In our own case both the Chamber of Commerce and the city planning commission are available to consult if need be and the county planning commission is also helpful in many instances. Every community needs and should have some sort of an organization to refer community problems to and there is no other organization outside of the Chamber of Commerce equipped for such service. Even though the Chamber of Commerce serves no purpose other than a clearing house for the common everyday questions asked about roads, housing or kindred subjects, it still is a good thing for the community to have.

An organization of this sort is just as useful as the community makes it. And where ever funds are required the membership has to see that they are available. There is no magic formula whereby any group operating for the benefit of the community can operate on a shoestring and accomplish anything.

The big problem here has been to get more than two or three to agree on anything. A general agreement on community problems would go a long way toward insuring the success of any local organization.

PROF AWARDED GRANT TO LECTURE IN EGYPT

OREGON STATE COLLEGE—Dr. Glenn A. Bakkum, head of the Oregon State college sociology department, has been awarded a Fulbright grant by the U.S. board of foreign scholarships to serve as visiting lecturer in rural sociology at American university in Cairo, Egypt. He will be in Cairo for nearly five months beginning next February 1.

Dr. Bakkum is on leave from the college this year and is now visiting professor in rural sociology at Cornell university. After completing his assignment in Egypt, Dr. Bakkum will visit several educational institutions in the Near East and will also study rural life in a number of Mediterranean countries.

BE ON LOOKOUT FOR SEPTIC TANK CLEANERS OSC ENGINEER WARNS

Beware of septic tank bacteria starters and cleaners, advises M. G. Huber, Oregon State college extension agricultural engineer.

In all probability, the cleaners are strong caustics which may serve only as temporary cleaning measures. Although they may clean out plugged pipes to the septic tank, cleaners have no particular value in removing sludge and scum. The latter causes most major septic tank troubles, Huber explains.

Septic tanks should be cleaned regularly, and it is especially important to have the tank scum and sludge removed every four or five years. U. S. Public Health Service studies indicate addition of yeast and similar compounds have little value in septic tank operation and maintenance.

Compounds advertised to promote bacterial action are, for the most part, money making schemes, Huber believes.

WHAT DO YOU MEAN... MORE PAYLOAD? DODGE "Job-Rated" trucks GIVE IT TO YOU! IT'S A MATTER OF better weight distribution. You can haul more payload than ever in a Dodge "Job-Rated" truck, because the load is better distributed. Most trucks carry too much of the load on the rear axle—too little on the front. Because the engine of a Dodge "Job-Rated" truck is moved forward and the front axle back, both axles carry the right proportion of the load. That means you can haul bigger payloads without overloading.
