LYNX HOLLOW

Mrs. Orville Lamb

Mrs. Iva Coley has returned home after staying awhile at Grande Ronde and attending the funeral of her brother, Elmer Rhodes.

Mr. and Mrs. Bill Stephenson, (Elizabeth Coley) will move soon to Grande Ronde.

Mr. and Mrs. W. E. Lamb, having sold their home near "Pearl's Place", have moved to Cottage Grove.

Mr. and Mrs. C. L. Quackenbush and family have moved into the house recently vacated by Walt Lamb.

Ruby and Cynthia Quackenbush were brought home Monday from the hospital. Cynthia entered the hospital Christmas day and Ruby on New Year's day. The girls will have to "take it easy" for some time which isn't so easy for a three-year old and a nine months old girl.

Mr. and Mrs. James Caley and children of Vida were Sunday visitors at the W. N. Lamb home.

The terrific winds Sunday night sent showers of both big and small branches quite a distance from the trees and the sound of falling trees was often heard.

One big tree, having plenty of space to fall into without hurting anything, chose to fall the one place to cause damage as it fell across the bridge one must cross going to Ray Holbrook's place, and broke it down.

There was no school Monday for either grade or high school pupils due to power outages. The electricity went off here around 2 a.m. but was on again before noon.

Who overcomes by force hath overcome but half his foe.—Milton

Mrs. Janet Brown was called to Moline, Ill. by the death of her father, W. C. Bell. Mr. Bell passed away last Tuesday. Mrs. Brown flew back to Illinois on Thursday and expected to return the first of this week to her duties as teacher at La Bleu school. Mr. Bell spent several weeks here with his daughter last summer before going to Illinois to make his home.

Billy Alford received a bad cut on his hand last week when a knife he was using slipped. Billy was assisting with the family butchering at the time of the accident. His hand is healing nicely but he will have to miss some accordion lessons.

4-H work is beginning to get underway in Lorane schools. Mrs. Sven Lobek assisted by Mrs. Harry Garner organized a Cooking I

club last Thursday. Fifteen girls are enrolled. New officers elected are: president, Karen Lobek; vice-president, Cathie Wynne; secretary, Avonne Jenkins; treasurer, Carol Garner; song and yell leader, Joan Sheffer.

This is the first time in several years that a Cooking club has been organized.

I'd like to thank some person in Korb, Calif., who sent me the following two items about former Lorane residents but forgot to sign her name.

Mr. and Mrs. Clarence Hoyt are the proud parents of a baby boy born Dec. 8 in Elverta, Calif. Mr. Hoyt lived on Lorane mountain for many years before moving to Elverta where he is in business.

A marriage of interest to people in Lorane is that of Deuerl (Pete) McAttee and Miss Wanda Windbigler. Deuerl attended the Lorane grade school, graduating in 1946. He later moved to Arcata, Calif., and is now employed by his father who is falling timber near Korb.

Mr. and Mrs. C. B. Mitchell are driving a new car, as are the James Suiter.

Mrs. Lynn Wyman returned to the hospital Sunday evening for surgery. She is reported doing nicely now.

A loaded log truck tipped over just after it passed the bridge by the former Warnock ranch late Friday afternoon. No one was injured in the accident.

A delegation from Lorane and one from Crow will meet with the State Highway Commission in Portland on Jan. 24 to discuss the road situation in this district. Since the petitions have been circulated, some gravel has been hauled and placed on the road.

The annual school bus inspection will be held in Cottage Grove on Jan. 24.

Coburg and Lorane basketball teams will play at Coburg on Friday, Jan. 19.

A blanket of snow covered all the hills Tuesday morning. There was about two inches on top of Lorane mountain.

Ken Carpenter, Oregon State's all-coast halfback of two seasons ago, is enrolled at OSC to complete work toward his college degree. Carpenter just completed his first season with the world professional champion Cleveland Browns.

Odd Fact
A Connecticut motorist, baffled by Boston traffic, hired a taxi driver to lead him to an appointment on time. The motorist stayed in his own car and followed the cab to the destination where he paid the amount shown on the cab's meter.

It is a mortifying truth, and ought to teach the wisest of us humility, that many of the most valuable discoveries have been the result of chance, rather than of contemplation, and of accident, rather than of design.—Colton
