Realty Views

Mike talks in an amusing way. Just listen: "The scenery looks just as good from the seat of a model A Ford as it does from a fancy new Cadillac."

I smiled and Mike remarked. "The old Ford, if well maintained, will go anywhere the new car can. Both will get you there. The BIG difference is in COMFORT and PRIDE. You'll get more enjoyment from the latest improvements."

Mike clamped on his cigar. Then continued, "It's the same way with houses. Our home is architecturally out-of-date. Not the latest thing. Sure it's well built and dependable. But the missus and I want a newer model. One with plenty of chrome. Streamlined looks. Fancy gadgets, 1952, not 1949." "Good," I said. "We have several body styles and colors to choose from. Let me demonstrate the latest two passenger models."

"Fine," Mike grinned. "Fine."
