Military services for Lt. Col. Robert Langdon Spear, 33, who died in a plane crash in the Swiss Alps near Berne, were conducted April 21 in the Wee Kirk of the Heather with interment in Forest Lawn Memorial Park, Glendale, Calif.

An Air Force officer and veteran of World War II, Col. Spear was born in Alhambra and made his home at San Gabriel, Calif. He left a wife, Margaret, two daughters, Margaret and Elizabeth; a sister, Donna; a sister, Mrs. June Stevens and his father and mother, Mr. and Mrs. Orville Spear (Agnes Langdon). The latter two were for many years residents of this vicinity. Two aunts and an uncle live near Eugene.

Mrs. Jessie Gilchrist is visiting her daughter, Mrs. Ada Overton, but plans to accompany her son George and wife to Spokane to spend the summer with another daughter, Mrs. Wilbur Telford (Katie Gilchrist). The George Gilchrist of Klamath Falls will go through Eugene May 17 by train on a trip to Ohio on their vacation. Mrs. Gilchrist hopes to join them in Eugene.

Mr. and Mrs. Charley Fuhrer now live in Eugene where he is employed by Bonneville Power Co.

Ivan F. (Fritz) Morris is improving at his home after a week at Cottage Grove hospital with inflammatory rheumatism. He will not be permitted to walk for at least two weeks and will not be able to go back to school this year.

Mrs. Theresa Hanks, who had spent five weeks here visiting her cousin, Mrs. J. A. Heath, left Monday for New London, Iowa.

On the big sing radio program School of the Air April 24 were the fourth, fifth, sixth and seventh grades of Latham school. There were about eighty students from here who joined other schools at McArthur Court.

The most important time of the year to kill Tansy Ragwort is within the next three weeks before the flower buds appear. It should be sprayed with 2-4 D unless it is being killed by pasturing with sheep.

Great-grandfather F. B. Van Nortwick had a little wider smile Friday due to the birth of another

girl to his grandson and granddaughter, Mr. and Mrs. Roy Trunnell, March 24. She has been named Sandra Ann. Mrs. John Trunnell is assisting at the Roy Trunnell home.

A son, David Clayton, was born to Mr. and Mrs. Clayton Anderson of Portland, March 21. His two sisters spent two weeks with their grandmother, Mrs. Lulu Anderson and aunt, Mrs. Lyle Johnson in Salem. Mrs. Johnson took the girls to Portland, Clayton, as a boy lived with his parents, Mr. and Mrs. Albert C. Anderson, in the house now owned by the Curtis Hansens.

DRAIN REJECTS WATER BOND ISSUE

The Drain water improvement bond issue of \$120,000 was rejected by Drain voters April 18 by a vote of 124 to 117.

MEMORY LANE

SMALL BOY'S AMBITION

Remember when the ambition of many a small boy was to be a policeman or an engineer, standing at the throttle of an engine thundering down the track? Now, largely due to the influence of moving pictures, radio, and television, small fry aspire to be cowboys with 6 gal. hats, sporting two pistols.

MERCURY BEATS ALL COMERS IN MOBILGAS ECONOMY RUN

3 WINS IN 3 YEARS!

**Lincoln Again Best in Class —
Runs Second in Sweepstakes**

Mercury, the car that challenged them all, has done it again... won the grand Sweepstakes prize in this "world series" for automobiles.

And this isn't the first time! Just look at Mercury's three-year-in-a-row record: three out of three times winner in its price class; two out of three times Sweepstakes winner against all cars in every class! Look at Lincoln, too. Lincoln won Class G first prize, and provided Mercury's closest competition for top Sweepstakes honors.

The Mobilgas Economy Run is open to all cars of every make. Every car is a stock car, selected at random by the A.A.A. To assure an equal chance for all, regardless of size and

weight, ton-miles-per-gallon performance* determines the winner.

A 1952 Mercury Monterey Special Custom Sedan with optional overdrive swept the field with 59,718 ton-miles-per gallon, averaging 25.493 miles per gallon. And the engine that did it is Mercury's famous V-8. The Lincoln Capri Sedan with Hydra-Matic transmission won its class prize with 58,908 ton-miles-per gallon, averaging 22.356 miles per gallon.

That's something to think about when you buy a new car. Mercury, which for months has been challenging the industry to match it, has now proved its superiority for economy.

Right now, in our showroom, is a 1952 Mercury similar to the one that won this official, impartial test. Why not stop around and give it a try? No obligation, of course.

*Ton-miles-per-gallon equals the car weight (with passengers), multiplied by miles traveled, divided by gallons of gasoline used.

**GRUELING
1,415 MILE
TEST**

What a test to prove Mercury and Lincoln superiority! This year's Mobilgas Economy Run covers a 1,415-mile course—longest, toughest test in Mobilgas Economy Run history. Elevations range from below sea level to 8,010 feet above. Mercury out-performed all others to win both the grand Sweepstakes prize and Class C trophy. Lincoln won Class G and was Mercury's closest competition for top Sweepstakes honors.

MERCURY—AGAIN PROVED "AMERICA'S NO. 1 ECONOMY CAR"
