2 Bedrooms and 1 acre at edge of city limits. Beautiful setting back from road. House is in new condition with good solid cement foundation. Deep well with lots of good water. A good buy at \$6500.00. \$2000.00 Down.

8 acres and 2 bedroom home 1/2 mile from city limits. This is a new place that has a little work yet to be done. Very modern with floor furnace. All the land is flat and completely fenced. Price \$8500.00 and well worth it.

Large 3 bedroom house and 8 acres 3 miles from town on paved road. House is very attractive and a new deep well has just been drilled. There is also a shallow well for irrigating. Small barn for a few cows or horses. See this one to appreciate it. Price \$12,500.00.

\$3500.00 Cash. This 2 bedroom home is one of the best buys I have had in some time. House is plastered and is located on large lot at edge of city limits. There is no bath room but septic tank is in. At this price you can well afford to have one installed. This is a steal. Let me show it to you.
