CURTIN

(Loretta Oleson)

May 25 has been chosen as the day to gather at Comstock Cemetery to clean up and care for the graves. Everyone must bring his own tools to work with. This is such a beautiful spot, and the community has fenced it and try to keep the road to it gravelled and the grounds cleaned up. If those who are unable to come themselves will send a contribution to the Secretary of the Association, Mrs. Grace Goins, Box 26, Curtin, Oregon, or leave the money with the Curtin postmaster, it will be used to the best advantage. It is difficult to hire anyone this time of year to work in the cemetery, as everyone is so busy. Several who have graves in this cemetery would like to have a meeting and try to raise money to mark the older graves while persons are still here who remember whose they are. Did you know there is a grave of a veteran of the Cherokee Indian war? Also a fenced enclosure, badly grown up to trees and weeds, the fence being a remarkable example of very beautiful hand carving. Painted, this would be very ornamental. We hope the re-built Highway 99 will give a better access road to this cemetery.

Curtin vicinity has as resident in a deluxe trailer house, a cowboy poet and songwriter, Harry Harker, who has to his credit 27 published songs, and a book of poems, is working on the new road. He has a home in Elko, Nev., and in Hollywood. Says he tried to retire, but that did not agree either with his health or disposition, so now travels around with his comfortable, convenient trailer house, following the good weather and suitable work. We welcome a poet to our community.

Mr. and Mrs. Dude Shultz of 706 Archer St. Dallas, Texas, are the parents of a baby girl born May 9. They formerly resided at Curtin and Cottage Grove.

Visitors at the Norman Suiter home were Mr. and Mrs. Sam Gilman, Mr. and Mrs. Jay Suiter and family of Lorane; Mr. and Mrs. C. G. Arnold of Cottage Grove, and Mr. and Mrs. Ray Suiter and family of Eugene.

Mrs. Mattson took her pupils on

a hike to Wards Butte on Friday. Jimmy Brown is now home on a 30-day furlough from Washington where he has been stationed for several months. After his 30-day furlough he is leaving for Alaska.

Mr. and Mrs. John Sowles finally got reservations on a plane to

Thurs., May 22, 1952 The Sentinel, Cottage Grove, Oregon Page 3

Ketchikan, Alaska to visit Mr. and Mrs. Oscar Neulan and two grandsons. They will leave the last of June. Mr. Neulan has been working near there for several months.

Mrs. Naomi Jacob, project leader

for the Home Extension; Mrs. Wilma Stagers, Mrs. Mabel Sowles, and Mrs. Helen Suiter went to Roseburg recently to the Home Extension Festival to model dress-

CHRYSLER SARATOGA 6-PASSENGER SEDAN

ITS NEW KIND OF HORSEPOWER IS SOMETHING TO FEEL!

With its 180 HP V-8 engine, on 125 1/2 inches of wheelbase, many people think the Saratoga is the best Chrysler car of all.

We invite you to take the wheel and feel what happens! There's a new sense of easy power, of reserve power that make driving a new experience.

Its revolutionary combustion chamber develops more of the power in each charge of fuel than other engines can do. One result is performance, even on non-pre-

mium fuel, such as you have never felt. Another result is new economy. It's an engine that scarcely forms carbon at all. It creates less heat. It will last much longer, stay younger on the way!

And with Chrysler full-time Power Steering*, you steer with one-fifth the usual effort... drive with five times the usual control! With Power Brakes you need up to two-thirds less foot pressure... and still stop in many feet less than other cars can do.

Yes, behind Chrysler's new engine you'll find a new kind of car. Won't you come in and feel what we mean?

*NOTE: Power Steering standard on Crown Imperial. Available, extra, on any new Chrysler.
