1. Advanced Styling 2. Proved Performance

HERE'S THE car that gives you every thing—economy, beauty and high-stepping performance. Here's the car that adds together all the things you want... in an unbeatable value combination.

Take economy. Pound for pound, Mercury's the most economical car in the land—officially proved by its 3-year record in the Mobilgas Economy Run (twice the Sweepstakes winner against all comers; three times champion in its class).

Take styling. Mercury gives you a fresh, new look—smart styling that will stay in

Take performance. This year's Mercury has 12% more power, hustling V-8 power, and even higher compression.

Want more? Just keep on adding. For there's extra stamina and long life to keep repair bills low, extra built-in value to keep trade-in value high... proved conclusively by registration figures and used car market reports.
