

Hebron Grange

By Mrs. Hugh Trunnell

Guests of the Ivan Harris family at Hebron Grange potluck dinner Saturday evening were Mr. and Mrs. Hobart Brown. The women are sisters.

Mable Kief was given the third and fourth degree obligation.

A pep song to celebrate the winning of the second prize in the state grange improvement contest was sung by all preceding the report of Hebron's representative at state grange, Marian Chapman. She presented the \$100 check to the grange as well as the dues paid pennant. The latter is the fifth of its kind Hebron has won.

She also reported that the fire resolution introduced by Hebron and passed by several other granges, including the Pomona grange was passed on favorably at state grange.

Among other items reported from speakers was that dairying was not increasing and that good seed was urged. Wheat growers want self support, not subsidy. There is a demand for the restoration of the short course in agriculture formerly offered at OSC. "Technical Know how" was rated as very important. There were around 370 delegates and almost that many visitors.

Mrs. Dale Harris announced a recreational evening for the young people on July 9 at 8 o'clock. Refreshments will be furnished.

A county rodent control booth will be held at the county fair. Pests captured before that may be submitted to O. M. Patten, who will turn them in for his booth.

The possibility of a turkey shoot this fall will be investigated by a committee composed of Wesley Stewart, Robert St. Elmo and Harris.

A vote of appreciation was given to Hugh Trunnell, chairman of the building committee, who responded that his work wouldn't amount to much without the co-operation of the members.

A reminder was given that all standard time petitions must be in at the court house before June 27 in order to be of value.

To investigate a new insurance policy a committee composed of Robert St. Elmo, Hugh Trunnell and Seldon Powell was appointed.

The resignation of Lillian Marcy as Ceres and Ted Marcy as steward was accepted. Their places will be filled next meeting.

It was voted to change the July 5 meeting to July 12 and to advance the July 19 meeting to July 26. The latter change was due to the rodeo.

Donations to the building fund not previously reported were \$5 by Inez Krammer and \$12 by Mr. and Mrs. Wesley Saunders.

During the program hour in charge of O. M. Patten of the agriculture committee an Irish song, "Where The River Shannon Flows," was sung by Esther Trunnell, accompanied by Ethel Saunders, in honor of Sheila Woods. As the moving pictures did not show up the time was filled in the singing of rounds and a game by young and old. Square dancing followed the meeting.

Dorena Grangers Plan Picnic 4th

By Mrs. E. G. Sherrill

Dorena Grange members are reminded that it is time to plan their produce for the fair booths, and agriculture chairman, Raymond Wicks, has requested that sheaves of oats, alfalfa and grasses be prepared as soon as possible. A picnic will be held at the grange ground on Friday, July 4, with lunch at noon and games and races to be held in the afternoon. Coffee, coolade and ice cream will be furnished by the grange. This date would be the regular meeting night, but because of the holiday, there will be only an executive meeting for necessary business details. No meeting will be held in the evening.

All grange members are asked to co-operate on the Youth Group's work-play day, Saturday, June 28, so that the ground can be thoroughly cleaned. Please bring your own lunch.

Horns Are Honored

A bountiful potluck supper was served preceding the regular meeting Friday, June 20, and immediately following the supper Mr. and Mrs. Clarence Horn were presented with two beautifully decorated cakes set amid a very pretty set of dishes in celebration of their twenty-first wedding anniversary, which the observed on June 21. An invitation to all grange members to share their hospitality at a potluck supper at their home late in July was extended by Mr. and Mrs. Horn.

The Juvenile Grange presented the literary hour with Judy Larsen, lecturer, in charge. The following numbers were given: juvenile group singing "Home on the Range"; a cake walk at 10 cents a charge, with Mrs. Roy England winning the cake, and the young folks taking in \$4.80 on the "walk"; and a grand march led by Alpha Pitcher.

Serving committee for the meeting of July 18 will be Mrs. Theres Hewes, Mr. and Mrs. Ted Hudson, Mr. and Mrs. Phillip Lake, Myrtle Lake, Pearl Kanel, and Mr. and Mrs. Byron Houck. Hall committee will be Harold Tryk and Wayne Vaughn.

Home Economics Club

The next regular meeting of the club will be held Tuesday, July 8 at the grange hall with Mrs. Carrie Layng and Mrs. Avanelle Wicks serving.

Juvenile Grange

The juvenile members plan to hold a picnic at Rajada park, and a definite date will be announced at the picnic, July 4.
