

Midgets Defeat JC, Thurston To Keep Second League Spot

Cottage Grove's Midgets won two games that to all accounts will at least stabilize their second standing in the state junior league play. They defeated Junction City 11-2 in a game played there last Monday and beat Thurston by a close margin of 4-3 in a home game Tuesday night.

Eugene retained its league lead, with Creswell in third spot.

The Midgets literally bunted their way to victory in the Junction game. According to Coach Bud Neal the JC third baseman played it deep and enabled the boys to bunt to third successfully. Leading Grove hitter was Stewart, the center fielder, who got three hits in his four times up. Rice, first baseman, hit three in his five times at bat.

Ellsworth was the winning pitcher, going all the way, and Sullivan caught.

Close Game

The Thurston game was a very close one, with the Grove getting all four of its runs in the fifth. Thurston breathed down their necks in the sixth and seventh by racking up two and then one.

Stewart pitched this one, with Sullivan catching. Miller was the losing pitcher. Getting hits, all singles, were Minkler, Rice, Ballew and Hayes.

Big Six League Race Tightens

The Big Six League standings were even up following the week end games, with McKenzie, Cottage Grove and Marcola in a three-way tie for first. Coburg, Creswell and Swishome on the bottom half were tied for the next positions.

Only one game actually separated all six clubs, with the first three winning 4 and losing 3 and the others winning 3 and losing 4.

Cottage Grove lost to Marcola in a game played there Sunday by a score of 6-1. McKenzie's four-game win streak was stopped 21-11 by Coburg. Creswell, after losing four, beat Swishome 5-2.

Only Three Hits

Marcola pitchers, J. Johnson and L. Johnson, only allowed the Grove team three hits. Wicks, the shortstop, got two in his four times at bat and Carter, second baseman, got one in his four times up. All were singles.

Lowry Hoyer and Wes Malcolm pitched for the Grove, giving up seven hits. McLain got three in five times up, with Buzz Wyant, Grove team manager, being injured as he chased one of McLain's balls. He fell and strained some ligaments and muscles. He said he would be out for the season as far as actual play was concerned.

Other Marcola men getting hits, all singles, were Medford, Hawthorne, Lane and Lindsey.

Catching for the Grove was Alton Wheeler and for Marcola, Marsters.

Tentative Hunting Regulations Set

Highlights in the tentative 1952 hunting regulations set recently by the game commission include a September 27 to October 17 buck deer season followed by a three-day hunter's choice deer season for hunters with unused tags, a November 1 to 20 general elk season, and a pheasant season opening October 24 and ending November 2 in western Oregon and ending November 9 in eastern Oregon.

Local Party Lands 29-Pound Skate

Mr. and Mrs. Ivell Humphreys of Dorena took their cabin boat to Reedsport Sunday to leave it for the duration of the salmon season. They were accompanied by Farris Fraser, father of Mrs. Humphreys, and Mr. and Mrs. Mel St. Clair.

The party was joined in Reedsport by Mr. and Mrs. Herbert Heyes of Hollywood, Mr. Heyes, who is a well known movie actor, fished with the group. They fished the boat at Winchester Bay and cruised up the river to the anchorage at Reedsport.

Enroute Mr. St. Clair succeeded in landing a 29 pound skate which proved to be quite a curiosity in Reedsport, as fish of this type are rarely hooked. It measured 28 inches from "wing to wing" and was 49 inches long. It was on exhibition at Humphreys' store the following day also.
