WONDERFUL STRAWBERRY JAM IN FIFTEEN MINUTES

This new, easy method and how-to-do photos courtesy of Jean Porter, C and H Homemakers' Bureau

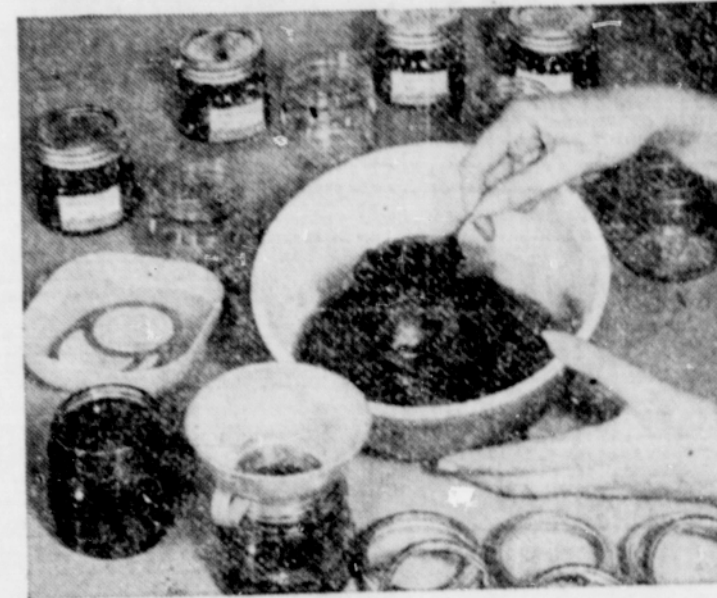

1. Wash 2 pint-baskets of ripe berries. (No, don't hold them under running water from the faucet! That drives the sand right into them. Instead, dunk the berries quickly in a bowl of cold water; lift out with fingers; drain in strainer or colander. Hull berries after washing.

3. Heat berries and sugar to boiling, stirring constantly; boil 2 minutes, stirring. Add remaining 2 cups sugar, again heat and boil, stirring, 3 minutes. Add lemon juice. Pour into shallow bowl and stir occasionally while cooling. Leave overnight. (This plumps berries, keeps them from floating).

2. Measure 1 quart hulled berries; 1 quart C and H pure Cane Granulated Sugar; 2 tablespoons strained lemon juice. Put berries and 2 cups of the sugar into a large, broad kettle or saucepan. (The jam will cook more evenly in a broad pan than in a deep, narrow pan).

4. Spoon the cold jam into hot, sterilized small jars, and seal at once. Makes 2 pints of rich, bright jam, thick but not too stiff. Label jars and store in a cool, dry, dark place. Make additional batches rather than double the recipe. Pour them into the same bowl to cool, if you wish.

Many Old Timers Expected Here, Schoolmates Picnic

August 2 will be the day for many old timers to gather and reminisce, have picnics, elect officers and have a general get-together. Two old schoolmates picnics are being planned for this date, the regular Old Schoolmates picnic which meets annually in the city park and takes in members who attended the first old school back as far as 1876 and the other is the younger school kids of the class of 1912, who will observe the 40th anniversary of graduation. The latter group takes in those attending grade or high school between 1900 and 1914. This group will meet once every five years.

Last year people came from as far away as Bremerton, Wash., and Hollywood, Calif., to attend the Old Schoolmates picnic, and a large group is expected from various places to attend one picnic or other.

This is the first reunion for the class of 1912, which will be held at the Jefferson school, with a picnic lunch at noon. Mrs. Roy Short and Mrs. John McCall, the only two members in the graduating class of 12 that live in Cottage Grove, are sponsoring this reunion. Old time pictures between the years of 1900 and 1914 are being displayed in the windows of Short's Grocery, Vinal Randall's, Hall & Liston's and Arnest's Dress Shop. Mrs. McCall's graduating dress will also be on display at Arnest's.

Both groups will serve a picnic lunch around 12:30 p.m.

Adelphia Circle Plans Family Picnic

The Adelphia Circle of the Methodist church met in the church parlor Thursday evening at which time plans were made to have a picnic on August 2 at the home of Mrs. William Githens. This will be for members and their families.

Mrs. Robert Moody led the devotions and Mrs. Clark Enz presented the lesson reviewing the book "Willamette Landings."

It was announced that a bazaar shower will be held in August and the next regular meeting will be August 21.

Hostesses, Mrs. John Leonard and Mrs. Githens, served refreshments at the close of the meeting.

The affair was given by the Roseburg Order of Eastern Star.

BENTON-LANE PARK SCENE FOR PICNIC

The Benton-Lane Park was the scene of festivity for about 65 members of the Sam Eastburn family Sunday, July 20, when the group gathered for a family reunion. The Sam Eastburns, their eight children and their families were present with the exception of Donald who is in the naval service.

A picnic dinner was served and the group enjoyed the various recreations offered at the park with swimming the main attraction. Sam Eastburn had been president of the group for several years. This year he was made honorary president and Francis Eastburn of Brookings was elected president. Mrs. Frank Van Nortwick of Cottage Grove was elected secretary and treasurer. The business meeting was opened and closed with prayer and those present sent greetings to the absent members.

If you are afraid to admit your mistakes more likely than not you are making another.

Country Doctors Work Wonders

The saga of medicine is written around our Country Doctors. It is those men in the lonely reaches of our land who sleep two hours and work the rest. They appreciate the cleanliness of a hospital, brilliant lights, and every modern surgical tool but when there's a life at stake, in a farm home, with a blizzard blowing and one four hole cook stove those men don't prattle about what should be, they save that life. Kerosene lamp or candle might have been their illumination; their operating table was probably a door resting on two chairs; there was no nurse to hand them one of several tools, they used the tools found in their bag. Be the conditions what they may our Country Doctors accept them, and win.

Country Doctors are men above, apart, from their colleagues; they have chosen the rough road, the high road, not to fortune but undying love of those they serve.

What higher praise can we offer?
