Coen Wins Most Valuable Player Award For Grove as Coburg Cops Big 6 Title

Coburg won the Big Six League championship in a final playoff game at Kelly field in Cottage Grove Sunday by defeating McKenzie 7-5. Marcola took third spot by downing the Cottage Grove squad in a close one-10-9.

Taking honors for Cottage Grove in trophies awarded following the two week ends of play was Ernie Coen, the third baseman, who won the Most Valuable Player award. This was based on how many chances he had at the ball with no errors and the manner of handling himself and the ball.

Another award went to Dick Dobbins of Cottage Grove for Best Hitting, but he was ruled ineligible since Sunday's tilt was his first game. He had 4 hits in his 6 times up. As a result Marcola's Bill Lane, manager and right fielder, won for his 4 hits in 7 times up.

Best Pitching trophy went to McKenzie's Clint, who reared in the August 17 and 24 games was 22 innings on the mound, 28 strikeouts, 6 walks and 15 hits allowed.

Coburg as champion won the playoff trophy and McKenzie as runner-up got the league trophy.

Local Men Bag Elk In Special Season
 Three Cottage Grove men, Emery Harris, Alfred Howard and Dick Warren, travelled to north-east Oregon over the week end for the special elk season and came back with 465 pounds of meat.

The trio bagged two elk near Troy. According to reports, the season was opened because of heavy crop damage done by the animals in that area. Influx of hunters frightened the animals into crossing the Grande Ronde river into Washington, Mr. Harris said.

Mr. Harris and his brother, Ivan, plan to leave Friday for Canada to hunt Grizzly bears.

Actually the public will see the squad in action for a brief time at the Lane County jamboree September 6 in Eugene.

Practices here are held from 7 to 9 each evening at the high school field. Uniforms have been issued to 68 boys, including eight varsity and eight reserves.

The C squad made up of last year's fresh and some sophomores number 21, and 18 incoming fresh suited up.

Another 13 uniforms were issued to upperclassmen turning out for football for the first time, plus three transfers, Perry Hales, a junior from Mississippi, may loom as a hopeful, as he has played ball in high school in the southern state.

Spark Squad
 Three returning varsity men spark the squad. They are Ken Sloan, a senior, end; Joel Pynch, also a senior, fullback, and Clarence Smith, a junior, at halfback.

Other varsity men are Richard Doremus, a senior, at center; Vic Fox, a junior, tackle; Don Best, a senior, tackle; Lowell Radway, a junior, quarterback, and Marvin Hayes, a senior, fullback.

Coach Max Murray said first sessions went well and that still more uniforms were available to any boys who wanted to try out.

The squads may shift as the season continues, Murray added. He is being assisted in practice sessions by Wally Ciochetti, line coach, New coach, Donald E. Campbell, was expected to be at sessions this week also. Ex-coach, Bob Dusenberry, is team manager.

It is hard to convince people but there are no prunes for sale on the farm of Mr. and Mrs. Hugh Trunnell this year. "But," someone said, "The trees were so beautiful when they were in bloom."

Very true but a cold spell ended all the good intentions of Mother Earth. Strangely enough as many streaks seen in crops this year, one petite prune tree has a good crop.

Mrs. Austin Riley of Mission, B.C., spent the past week visiting at the R. O. Yearous home. They were neighbors in Canada 37 years ago.

Peggy Smith, formerly of West Main in Cottage Grove is recovering from an operation in a Medford hospital. Her daughter, Mrs. Lester Harris, was with her last week.

Mr. and Mrs. Monte Spaulding of Yoncalla and Harry Williams of Bohemia were visitors Sunday with Mr. and Mrs. Hugh Trunnell.

Hugh Trunnell has been going slowly with a cane for a few days, due to a sudden breakdown caused by an old injury to his right leg.

Erwin Finn of Spooner, Wis., brother of Mrs. Roy Beers, passed away suddenly about a month after the Beers visited them this summer.

Mr. and Mrs. Robert Finlayson of San Diego arrived Friday evening to visit her parents, Mr. and Mrs. R. O. Yearous, and other relatives and friends. Mr. Finlayson is engaged in aerial photography in service. He pilots the plane also. He accompanied Mr. and Mrs. Carl Buffington and son Richard to Winchester Bay Saturday on a fishing trip. It was not possible to go deep sea fishing after they arrived at the bay due to the high waves over the bar. It is thought they were caused by Saturday's earthquake in California. Boats that were out before the quake had to wait several hours before they could come in.

At the South Lane Fair, August 22 and 23, Latham had the only Rose and Garden 4-H club exhibit. Thirty-one Health Scrapbooks were on display from the Health club. Three of the eight half-scholarships awarded were given to club members from Latham. Wendell Pynch, age ten, got the most points in cooking out of 18 entrants. He was awarded the half scholarship in cooking. Francis Chapman got first place and William Bryson alternate for a half scholarship in electricity. Anna Johnson won the half scholarship offered for the Rose and Garden 4-H club with Barbara Woodard rating for alternate.

A lucky accident occurred Friday morning when the W. L. Bakers started to the fair. Bob Warner, driving Melton Savage's toting truck, hit the front right wheel of the Baker car as it was driven on to the road in front of the residence. Real pioneers, the Bakers left their damaged car and proceeded to town with other people.

Mrs. Roy Means and daughter, Linda, of Redmond visited at the home of their son, Glen, in Cottage Grove and with former residents here last week. Barbara, who has been staying at the home of her brother Glen, will return to Redmond to go to high school.

Purdy Ranch Plans 1st Amateur Rodeo

By Mrs. R. G. Conner
 For the first time local rodeo fans will have a chance to see a real one at home. An amateur rodeo is being held at the Chet Purdy ranch at Lorane at 1:30 p.m. Saturday and Sunday, August 30 and 31.

A total of \$250 will be given as prizes in bareback riding, calf roping, wild cow milking, team roping and bulldogging. Entry fees will be added also.

A Buckaroo Breakfast will be served by Lorane Grange from 7 to 10 a.m., and the grange will also have charge of the concessions.

The Purdy family came to Lorane in 1942 and now own three ranches totaling 1700 acres. They run about 100 head of beef cattle and their 30 registered Morgan and Quarterhorses as well as the bucking stock.

Take Championship
 They brought back the Grand Championship cup from the South Lane Fair last week, which was won by King Glen, better known as Junior.

After taking the Riding club queen candidates to rodeos all over the state all summer Mrs. Purdy will have to miss her own as she will be in Salem at the State fair with five horses and two colts which the family is entering in the breeding event.

Thrills and spills should be much in evidence when the gates open on the first day and last till the closing event Sunday afternoon.

DeJarnett-Deremer Win Two-Ball Play

By Belle Burkholder
 The regular two-ball foursome was held Tuesday evening August 26, but due to early darkness was cut down from nine holes to seven. Lowest score was made by Mrs. Ralph DeJarnett and Ed Deremer, followed closely by Mrs. Earl Hill and Steve Gasper.

A total of 18 came out for the play and potluck dinner.

HOGATE-WILSON KILL COUGAR WITH AN AXE

It takes forest service men to kill cougars the primitive way and thus give a lesson to the hunters; at least this is what happened recently in the vicinity of the Rujada ranger station. Enroute to the Silica lookout to carry in supplies Claire Hogate and Frank Wilson encountered a kitten cougar. When the animal ran across the road in front of the forest service truck, the men ran the cougar behind a log. One of the men proved to be a scouthpaw and wounded the animal with a direct hit so that he could be dispatched with an axe.

SAGE HEN SEASON OPENS; BAG LIMIT FOUR A DAY

Over four months of unbroken hunting are in store for Oregon hunters as August 23 marked opening of sage hen season and will be followed by grouse, mourning dove, band-tailed pigeon, deer, silver grey squirrel, quail, partridge, elk, and waterfowl seasons.

Sage hen season opened August 23, simultaneously with area two and three antelope hunts, and ends September 4. The sage hen hunt area includes Harney and Malheur counties and Lake county east of highway 395 and the Warner valley road. Bag limit is four sage hen per day and not over eight during the season. These birds are the largest American grouse and require hard hitting to bring down. Use of shot smaller than number five or six is not advised.

Violations Found In Hunting Area

First reports from the area 1 antelope hunt in Klamath and Lake counties indicate an increase over past years in incidents of antelope doe shooting. Game agents this week found four dead does and disposed of another cripple of Drake's flat.

A couple hunting with one antelope tag were apprehended and fined in Lakeview justice court for shooting one of the doe antelope. Shots were fired from within a few feet of the convicted pair's car. After the antelope was felled they drove off without examining their quarry, according to Game Agents R. U. Mace and Norman Minnick who witnessed the violation.

Since antelope seasons were opened on a limited basis for bucks in 1945 the trend in doe and herd shooting has become progressively worse and threatens consideration of future seasons. Last year the game commission banned all shooting within 50 yards of a car or airplane to eliminate hazing and herd shooting, the latter being the practice of speeding alongside a herd and firing into it in hopes of downing a buck.
