BIG CATCH OF 30 HIDES of animals shot during 1952 are displayed on the side of a barn at the Melvin Allen ranch at Hebron. Allen and two of his hunting dogs are shown at left and Joe Jackson, his hunting partner and his dogs at right. Two black bear hides are pictured, one of an animal that weighed 500 pounds. A third bear hide with flesh side out, just caught in the last week, is shown third from the left in the next to the top row. The catch also shows hides of 19 bobcats and 7 cougars, with a lone coon hide at the very top. The men, who drive gravel trucks, make a fair living at catching these animals in wintertime. Above catch represents about \$500 in bounties from the county, state and individuals. Hides also are sometimes sold to be tanned for rugs and game room trophies.

Cage Season to Open Here Dec. 2

The basketball season will open here next Tuesday, December 2, when the Cottage Grove Lions will meet St. Francis on the local gym floor.

Don Campbell, coach said Tuesday he had not determined the combination of players to be used in the opening game and said he felt that it might be a few days before he would attempt to name the starting lineup of any game. Campbell, a new man here, apparently feels that he will have to work with the squad longer to be able to find the combination he wants. St. Francis is expected to have a better than average team, but in past years have not been too tough for the Lions.

Campbell said the following squad members will likely see action in the opening game Tuesday: Lowell Radway, Joel Pynch, Bill Denham, Bob Dalberg, LeRoy Ketcherside, Ken Sloan, Stewart Burge, Marvin Hayes, Jerry Montgomery, Dave Brandness, Dick Heath and Jerald Plueard.

On December 4 the Lions will meet the Roseburg Indians on the Roseburg court. Following this game, the local squad will have a week to devote to practice as no games are scheduled for the period.

It's basketball season at Jefferson school, with from 75 to 100 boys turning out for practices during the past few weeks.

Coach Bud Neal has released his A squad and probable starting line-up for the season opener here Friday, December 5, against Yoncalla. The Cubs had a season record of 16 wins and 4 losses last year and won the South Lane County championship the third time in a row to keep the trophy.

Two veterans of last year's squad are Leon Hayes, guard, and Calvin Bailey, forward. Other eighth graders on the starting squad, all B squad members last year, are Mike Thies, center; Troy Perkins, forward, and Larry Mason, Lestex Watkins and Roger Whetham, guards.

Other A squad members are Gary Dulle, Jack Mullin, Doug Skelton, Jim DeLeon, John Thorn and Jim Masters. These boys are also eighth graders but newcomers to the game.

Neal is coach of the A squad, with Ardis Warren heading the B squads of sixth and seventh graders. A and B squad games will be played at each meet and some sixth grade games will be scheduled. Drain and Wallowa To Tussle Friday For Class B Title

Drain high school will meet Wallowa at Roseburg Friday night in a football game that will decide the state Class B championship.

The class 2-A finals between St. Helens and Prineville is set for St. Helens the same night. The 1-A title will be decided in a Saturday afternoon game at Portland between Central Catholic and Jefferson of Portland.

Drain went into the finals after defeating a Jefferson team Saturday. The game was a close one, 7-6, won by Drain on an all-important second quarter conversion pass. This ran Drain's undefeated string for the season to 11 games. Wallowa, its opponent Friday, walloped Maupin 40-0 to reach the finals.
