

Trees Up Threats Of Holiday Fires

"Let's keep Christmas merry!" This is the appeal made by the National Board of Fire Underwriters every year at this time. It was reiterated this week by Cottage Grove Fire Chief Ernest Shipley.

The reason, of course, is that the Christmas tree, center of holiday festivities in most American homes, can all too easily become the center of a tragic fire.

To keep Christmas merry, the following suggestions for holiday safety were made.

1. Choose a small tree. It's less dangerous than a large one.
2. Don't set it up until a few days before Christmas. Until then keep it outdoors.
3. Place it in the coolest part of the house, away from fireplaces or radiators. And don't let it block an exit.
4. Stand it in water, or use a live tree planted in a tub of earth.
5. Never use cotton or paper for decoration on or around the tree.
6. Do not put electric trains under the tree.
7. Use only electric lights, never candles, and see that the wires are not frayed. Be sure the lighting sets you choose are marked as having been inspected by Underwriters Laboratories, Inc.
8. Provide a switch some distance from the tree for turning tree lights on and off. Don't plug or unplug them beneath the tree.
9. Throw away all gift wrappings as soon as the present have been opened; don't let them pile up near the tree.
10. Do not leave tree lights burning when no one is home.

Because the school program has been planned to fall on the next grange date it has been postponed until January. Grange officers were installed at Creswell Monday evening.

Serving committee for the January meeting will be the Inley Seales, H. H. Taylors and Robert Tews.

Mrs. Rose Hayes recently completed the school census for this year. There are now 225 children in the district between the ages of 4 and 18. Of these 131 are boys and 94 are girls.

Mrs. Earl Gowing and Mrs. Svend Lobek, cooks at the school cafeteria, wish to publicly thank the ladies who recently came to their assistance by canning the apples for the school.

Mrs. Chester Sannar is a patient in Cottage Grove hospital. Her condition is quite serious.

When Mr. and Mrs. Svend Lobek arrived at Hebo to spend Sunday with their sister and family, Mr. and Mrs. C. C. Barnes, they were shocked to find their niece Gail in a Tillamook hospital with a fractured skull, broken hip and rib and broken elbow. The children were playing in the hayloft Saturday afternoon and somehow Gail fell to the concrete floor below. Her condition is quite serious but hope is held for her eventual recovery. She would enjoy cards from her former schoolmates. Her address is Miss Gail Vixey, Hebo, Oregon.

First and second grades enjoyed a field trip last Friday. With their teachers Mrs. Castro and Mrs. Gates they went to Cottage Grove for a tour of the Police and Fire departments. After the policemen showed them how to take fingerprints they had a great deal of fun repeating the process when they got back to school.

Ladies Aid of the Christian Church will have its Christmas dinner Wednesday at the church. Instead of the usual gift exchange they are bringing the money that would have been spent for a gift which will be donated for the Eugene Children's Hospital school. Saturday evening the Christian Endeavor will go carolling. They plan to especially visit homes where there is illness or old persons. Following the carols they will return to the church for a chili supper.

On Sunday morning the Rev. Ellison Knight, who was minister here in 1937, will be guest speaker. He has just recently returned from the Philippines. The choir will present a Christmas Anthem for special music.

In the evening the choir will again give special music and a religious film "O Holy Night," will be shown, followed by more music.

Instead of the usual treats given to local children the church has decided to have a White Christmas with the children and adults bringing gifts which will be sent to the McKinley Indian Mission at Tappanish, Wash. These gifts should be brought to the morning service if possible.

Mr. and Mrs. L. A. Howell and family of LaCombs spent the week end with her sister and family Mr. and Mrs. Stanley Purdy.

Mrs. Gladys McVeerhead and baby son of Denver arrived Tuesday for a visit with her mother, Mrs. Otto Johnston, and her daughters, Janet and Sherrill Lynn Lawyer.

CRUNCH!
Pop-corn—150,000 pounds of it—was shipped from the Seattle Port of Embarkation in time for Christmas parties this year for soldiers in the Far East.
