

Millers Top Lions In District Game

By Stenis Stokes
The Springfield Millers beat the Lions in a district 6 tilt here last Friday by a score of 55 to 41. The Millers outclassed the Lions from start to finish but the Lions gave them a scrappy battle. This was the opener for both teams in the district 6-1 play.

looking good even when the Millers were running away with the game. The Grove team really had spirit and that's what kept them going.

The Springfield team held the Lions in the first quarter with a sharp passing, fast breaking attack. The Lions were doing everything they could to get going, but when they did it was too late. The first quarter ended 11-6 with the Millers in a good, comfortable lead.

Heacock and Burright of the Millers took over the first part of the second period and sank an even four points apiece. The Lions hustled but all they could ring up before the half was eight points. The halftime score was 24 to 14 with the Millers in the lead.

Lions Defense Poor
In the third quarter the Millers came right back like they did before and started adding to their score. The Lions did everything they could think of to stop the rally but the Millers were just a little better than the Grove team and by this time the Lions knew it. The Lions defense didn't do too well against the Millers, who kept the Lions busy all the time. Pakulak of the Millers kept hitting consistently from the sides, while Heacock had things going the way he wanted them in the rebound department.

In the final quarter of the game the Lions were slowly awakening and then started making it rough for the Millers. With good ball handling and good accuracy in shooting they were slowly closing that big gap in the score. Stewart Burge of the Lions made good on a two free throw attempt to pull the Lions up to within eight points 49-41, with approximately a minute and a half of playing time left in the ball game. When the final gun sounded the game was over with the Springfield Millers on top 55-41.

The Cottage Grove JV's lost another rally with the Springfield JV's here Friday night with the final score 34-28. Tom Burgeosis of the Millers was high point man with a nice record of 13 points to his credit.

Uni High Tops Grovers 47-27

By Stenis Stokes
The Cottage Grove Lions lost to the University Hi Tiders 44-27 here Tuesday night in their second district 6 game. The Lions have lost two out of two district games.

It looks as though Don Campbell's Lions are going to have a rough time this year with his new system, but with the experience they are getting this year and the material that is coming up next year, they are certain to have a brighter season next year.

Coach Henningsgaard of the B squad is having a nice season this year with his all sophomore team. They have a nice 6-2 record to look at.

The first quarter of the A game was mostly of a defense nature with both teams ending with a total of three points each. In the second period Don Campbell's team showed both defense and offense against the invading Tiders. Cottage Grove's Lowell Radway was the spark of the Grove team. The final half-time score was 12-10 with the University Tiders ahead.

Team Changes
The second period of play started out with the University players running up the points. While the Grove team got only three points in the whole third quarter, the Tiders added to their record 18 points. This was the quarter that lost the game for the Lions.

The third quarter score was 30 to 13 with the University players way in the lead with 17 points. The final quarter of the game started with the whole Lion team changed. But they could not catch up with the Tiders. The Lions would make a basket and the Tiders would match it. The final game score was 44-27, with the University High Tiders way in the lead.
