When your party line neighbor needs help in a hurry and breaks in while you're enjoying a friendly conversation on the telephone—you can make it much easier for him to reach a doctor... or meet any emergency... if you'll release the line and complete your call later. It's the thoughtful thing to do. And who knows? You may need the same courtesy some time, in an emergency of your own.

with more great new features than all other makes of cars combined

**First....**

**First 4-Wheel Hydraulic Brakes...** revolutionized stopping, safety, later adopted by all cars. POWER BRAKES—since 1932, still not available on many makes.

**First High-Compression Engine...** pioneered far greater drive efficiency. First V-8 with Hemispherical Combustion Chambers—stands alone today in drive power per horsepower.

**First Power Steering...** Introduced new, safer car control that removed the work and strain of driving, still unequalled by imitators.

**First Waterproof Ignition...** gives owners of Chrysler-type cars a tremendous "wet weather" starting and anti-stalling advantage!

**First Safety-Rim Wheels...** a new way to keep punctured tires from slipping off the rim: enjoyed only by owners of Chrysler-type cars!

**First Fluid Drive...** changed America's driving overnight with a revolutionary way to transmit power from engine to rear wheels more smoothly!

again today with the 4 most remarkable developments of modern times...

**First....**

**Firepower V-8...** revolutionary new-type engine, practical 'til now only in European sports cars and aircraft where cost is no factor. Delivers more "drive" to rear wheels from every drop of gasoline!

**Safer, easier driving control...** with the first Full-time Power Steering in any passenger car that does all the hard turning and parking work for you—absorbing all "wheel-tight" over the rough going, too!

**More power for safer, faster stops...** big Chrysler Power Brakes (standard equipment) multiply your lightest toe pressure into instantly effective stopping action. New Cyclo-bond linings last far longer!

**America's smoothest ride...** with new double-strength shock absorbers. See your dealer for a thrilling Chrysler "Power Ride"...in the car that gives you far more for your money today than any other!

**Designed & Engineered to stay ahead of other cars**
