DORENA—School was dismissed for the term Friday, May 15, when pupils arrived at 1 p.m. to receive their report cards.

No official announcement has been received by your correspondent as to the teaching staff for next year. The past week was a busy one for all students. Third and fourth graders traveled to Fernridge dam Wednesday where they enjoyed a picnic and other activities while on the same day the first and second graders held their picnic near the school. The seventh grade spent Tuesday at Benton-Lane park where they had their picnic and spent the rest of their time swimming in the pool.

Mr. and Mrs. J. A. Read of Springfield were Monday callers at the home of Mr. and Mrs. J. H. Spahr.

Chalice Ward decided last Tuesday to take advantage of the afternoon off due to the low humidity at the Booth Kelly operations at Dorena so he went fishing or rather attempted to go fishing accompanied by his wife. In some manner the motor he was trying to place on the boat overbalanced him and both Chalice and the motor went overboard. A fisherman on the bank is reported to

have assisted Mr. Ward to shore and now he is home suffering from a case of pneumonia. We hope he will soon be well again.
