Phil Harris Guest At Kickoff For Ducks August 26

UNIVERSITY OF OREGON, Eugene—Phil Harris, famed movie and radio comedian will headline a special Football Kickoff banquet at McArthur Court on August 26. It was announced here Saturday by Leo Harris, Athletic director.

Harris, star of the popular Alice Face-Phil Harris radio program, will be accompanied by Ed Crowley, former Oregon letterman now manager of the Town House in Los Angeles, who will act as master of ceremonies for the program.

Leo Harris said coach Len Casanova of the Ducks would outline his plans for the coming season at the banquet (the Ducks open practice on August 31) and added final details of the program would be announced within a week.

The Kickoff banquet will be the climax of the August campaign sponsored by the Chamber of Commerce and the athletic department to call attention to the finest home schedule in many years. The Webfoots play UCLA, San Jose State, Idaho and Oregon State in Eugene and Washington and Southern California at Multnomah Stadium in Portland. Ticket sales have been under way for six weeks with demand up eight percent in Eugene and twelve percent in Portland over the same time a year ago.

Reservations for the banquet will be available at McArthur Court Monday at \$3 each, and Leo Harris said only 450 would be available. There will be about 3,000 free balcony seats distributed later, the Webfoot boss added. The dinner will start at 6:30 p.m. and admission to the balcony will be at 8 p.m. in time for the show.

This marks the second McArthur Court appearance of Phil Harris and Crowley. Harris was master of ceremonies for the Cotton Bowl banquet in 1948.

Edward Weiss, tax collector in Haddam, Conn., has asked the finance board to reduce his pay on the ground that he is getting too much.

STILL EMPLOYED 40

An instance of how government bureaus hang on after they are supposed to close is furnished by the Office of Price Stabilization. OPS passed out of the legal existence June 30, but it still has about 40 employees at work. Their job, expected to take at least several months, is to wind up hundreds of pending price-violation cases.

Buffalo Bill and William F. Cody were the same person.

Last year, Federal Excise Taxes paid by the average telephone subscriber in the Pacific West came to about \$1.80 a month.

THE EXCISE TAX IN YOUR TELEPHONE BILL

We collect it from you for the Federal Government

Perhaps you've wondered, "What does the amount marked 'U. S. Tax' on my telephone bill really mean?" Simply, it's the Federal Excise Tax which is levied directly on your local and long distance telephone calls. While this tax is included as a part of the total amount of your telephone bill, it's actually a separate tax which you pay on your telephone service. We merely collect it from our customers for the government—and it is then set aside to be passed along to the Bureau of Internal Revenue.

On the job for pennies a call

Despite sharply increased costs—for taxes, wages and materials—we've been able to keep telephone rates low. So low, in fact, that your telephone still carries your messages for a few pennies a call.

YOUR TELEPHONE IS ONE OF TODAY'S BEST BARGAINS

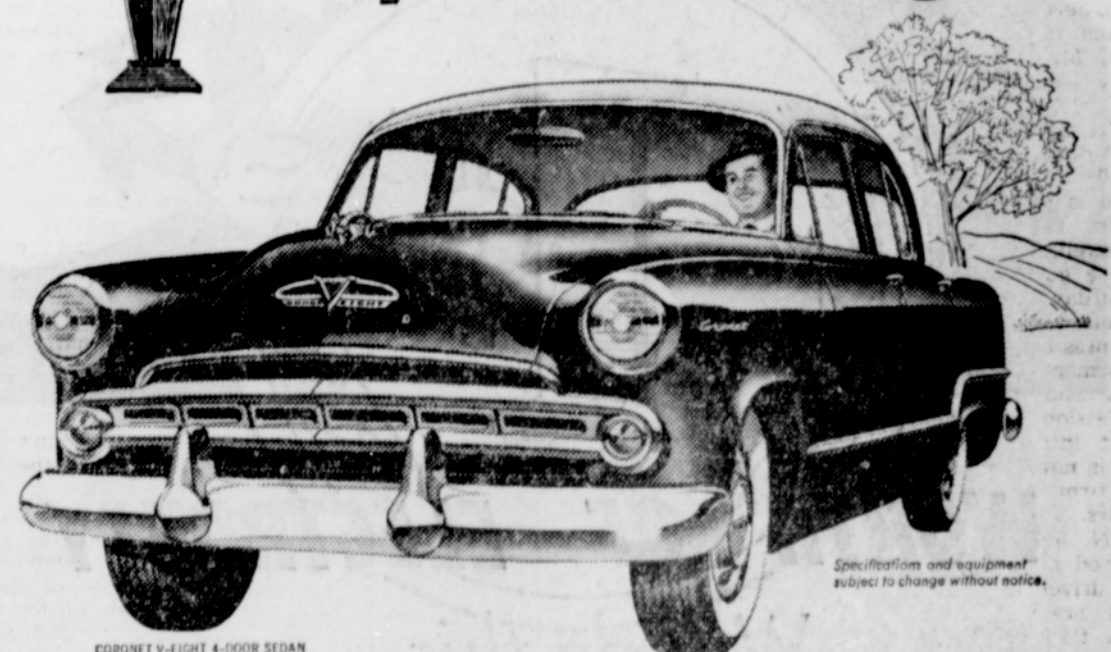

Paying the cost of government is, of course, the responsibility of all Americans and all American businesses. As a company, Pacific Telephone pays—and expects to pay—its full share of regular income and property taxes. But the Excise Tax is a separate tax—which you pay—averaging about \$22 a year for the average telephone subscriber in the West. And we make this report on it so that next time you receive your telephone bill, you'll perhaps pause to consider that telephone rates are lower than you may have thought.
