

Students Perform On Radio Station

HARRISON SCHOOL — Students of Harrison school participated in a radio program over KSGA Tuesday evening at 6:30. Miss McKenzie's third grade class sang "America, the Beautiful." Norman Peterson, a second grader, and Diane Patten, a fifth grade student, played piano solos. A group of students from the fifth grade rooms gave a panel discussion on the "Safety Patrol." Two selections were played by band members from Harrison.

Mrs. Erta Vaughan's room reports: "We had fun talking about the big Sunday snow. We thought of three good rules for snow play and made pictures to illustrate each rule: 1. No snow in faces. (I think of my friends.) 2. No snow in me. (I think of my health.) 3. No snow at houses or cars. (I think of all the windows.)"

"Karen Deremer has moved to Portland, and Jimmy Burton to Idaho. Our attendance is now 24."

"One of our favorite games is pretending to pack our bags for a big journey—the journey across the court to live in a second-grade room some day! We pack and repack and add to our luggage daily. We had a story about Grandfather's ear trumpet, so we pack an ear trumpet (for better listening), a big vocabulary, a set of good manners, a happy face, a listening 'cap,' and everything we can collect which might be useful."

Mrs. Ida Jenkins' third grade reports: "Pupils in our room have made maps of Oregon. On the maps such as the Columbia River, the Oregon Caves, the Cascade mountains and Crater Lake."

Councilman McMillan told Council members that he and City Engineer Les Coirer had made a trip to Albany Monday morning to look over the 752 feet of 42" pipe, which the Council had authorized purchase of earlier. McMillan said the pipe would be stored in Albany until all work was completed for the laying of it here.

Blaze Destroys

(Continued from page 1)

Delight Valley residents have come to the aid of the Greers. Mrs. R. L. Sedergren told The Sentinel Tuesday that any contribution by South Lane residents to help the Greers reestablish their home could either be brought or sent to her and her husband's home which is just north of the Delight Valley school on the west side of the road. The Sedergrens live in a large white residence. Mrs. Sedergren said that if residents with contributions would call her at 1284, she would see that the contributions were picked up.

Any monetary contributions for the Greers may be sent to them in care of Mrs. Sedergren, Box 709, Cottage Grove, Oregon.

The Greers are elderly residents who have been living in the Delight Valley community for several years. In recent years Greer has not been too well.

Red Cross Helps

The Eugene chapter of the Red Cross, under the direction of the local Red Cross, headed by Mrs. Maurie Kreutz, has come to the assistance of the Greers with bedding, clothing and a grocery order. Red Cross will also send them a washing machine.

Mrs. Kreutz said Tuesday that neighbors of the Greers have

brought them a stove and boxes of food. She said though, that the couple greatly need home furnishings.

Fourteen local firemen answered the fire call Monday afternoon. Ten went with the fire trucks numbers 2 and 5 to help fight the blaze and four remained on duty at the fire station. Fireman Will Dodge said the Greer home was one big ball of flame and smoke when the men arrived. "Flames were coming straight out of the north end of the house," he added, and a strong wind was blowing through the house."

REFLECTIONS

Lincoln's Compassion

Of all the elements of Abe Lincoln's character that endeared him to us his compassion was the strongest.

When Grant lay siege to Vicksburg, Lincoln saw and felt the suffering of those non-combatants; he heard the whine of shells, saw women, children and the aged run for their caves. He lived with them in the stifling caverns, felt the pressure of bodies as they squeezed closer and closer, felt the oppressive lack of oxygen, ducked when a shell exploded close to the entrance and fought with the men to claw away the earth as their cave was sealed by an erratic cannon ball. He walked the muddy streets of that little town between bombardments, saw the glassless windows, gaping like sockets in a skull, the gunboats on the placid Mississippi and felt compassion that wrung his great heart. In a note he said, "If I had known I would have gladly lifted that siege—".

We revere Abe Lincoln for many reasons; his great, compassionate heart touched us most deeply. Stop a minute February 12th, thank God for the example He gave us in Lincoln.
