Youthful Prowlers 'Caught in the Act'

Five youthful prowlers got the surprise of their lives the night of March 24. According to Cottage Grove Police reports, the youths were jacking up an auto at Doyle's Sales and Service, to remove some of the equipment, when the door of the car opened and they were confronted by Al Johnson who works for Doyle's. The police were quickly called in and three of the youths were placed under arrest and charged with Larceny from an Auto. They were turned over to the Sheriff's office in Eugene the same night. One of the three placed under arrest was Lloyd Kenneth Sloan, 19, of Culp Creek, the other two were minors.
