Grovers Take Game From Millers 7-5

By Bill Vertrees

April 27—The Cottage Grove Lions scored two runs in the first inning of a seven inning game with the Springfield Millers April 27. The final score was C.G. 7, Springfield, 5.

Hits in the first inning went to Ron Rice, Don Tonole, Gregg Stewart and Vic Fox. There was little action in the second, but in the third, the Lions scored three times on two errors.

Again in the fourth, Tonole, Bottorff, Stewart and Fox and Castle got hits. Two runs were scored. This ended the Lions rally. "Sunshine" Nichols belted a beautiful home run in the third to score three runs.

Dean Castle pitching for six innings was the winning pitcher. Connie Moore was the loser. Relief hurlers were Jim Ellsworth in the seventh and Lincoln in the fifth.

Vic Fox caught the entire game.

Ace pole vaulter Jay Wilson hopes to clear 13 feet before season is over.

Gibson, Woodson Cop Glider Wins

Sixteen glider enthusiasts participated in the hand-launched glider event held Sunday at the local armory. The contest was sponsored by the Cottage Grove Hobby club.

Winners in the senior division were: first, Malcolm Gibson; second, Ronnie Bassett; and third, Grover Moore.

Tops in the junior division were: first, Darrel Woodson; second, Don Dills; and third, Cecil Koch. All winners in the two divisions received prizes.

After the event, all contestants were invited to the ranch of Mr. and Mrs. Moore where some spectacular free flight flying was demonstrated. Included in the demonstrations were a hand-tossed glider by Bob Cline and half-A flights by Dell Springer, Bassett and Moore.

Springer had had luck when his plane "Lil' Rascal" cracked-up. Springer's specially-designed half-A free flight was too successful. When last seen, the plane was heading for Dorena and Bohemia.

Timber Days Plans Under Way at Sutherlin

A prize of \$75 in cash will be given to the queen chosen, plus other contributions. Princesses will also receive gifts. Booth-Kelly Fights Fire Sun.

(Editor's Note: It is with regret that The Sentinel this week carries what is to be the final column for this newspaper by Mrs. Jeanette Kelly of Dorena. Mrs. Kelly has been a correspondent for us for some time and has always done a fine job. Now, she finds that she doesn't have the time to continue writing it. We wish to take this opportunity to thank Mrs. Kelly publicly for many, many hours of good work. New correspondent at Dorena for The Sentinel will be Mrs. Ruth St. Clair. Elsewhere in this newspaper may be found the first column by Mrs. St. Clair to whom we wish the very best of luck.)

DORENA—Mr. and Mrs. L. L. Lamb of Eugene called briefly at the J. H. Spahr home Sunday morning on their way to attend local church services. Other guests at the Spahr home during the day were Mrs. Sidney Sheets and granddaughter, Susan, of Cottage Grove; Mr. and Mrs. Maurice Estabrook and Sharon and Don Lounsbury of Drain; Mr. and Mrs. Eugene Davis of Yoncalla and Mr. and Mrs. Henry Kelly and Larry.

A crew from Booth-Kelly spent Sunday fighting a fire which was located just a short distance up Smith Creek. Reports were that the fire started from a stump which had been burning since February.

Mr. and Mrs. Richard Wicks and baby left early Monday morning of this week for California where Richard is on duty with the U.S. Navy on Treasure Island. They had spent ten days here with relatives.

Jeanie Stewart had her tonsils removed at the Cottage Grove hospital Thursday of last week and at this writing is doing nicely.

A fire left by the clean-up crew, which is working around the lake, burned over quite an extensive area between the lake and the railroad either Thursday or Friday afternoon. This burned area is located between the Houck and the Kelly residences. Your reporter does not understand why they can leave a fire unattended when we are not allowed to have a fire unless it is attended.

Mrs. Lois Giles returned to her home here one day last week after

1900-'14 School Picnic August 7

By Mrs. Esther Trunnell Phone 17F11

LATHAM—"Yes," is the answer to the query "Will there be a 1900-1914 school picnic the first Saturday in August this year?" Vinal Randall Sr., of the classes entertaining this year, states that plans will soon go forward.

It is hoped that many old students who have not yet heard of the picnic may be contacted as well as the large group who attended last year.

The class of '10 will assist the class of '14 in preparation for the event. Worth Harvey of Eugene will contact his former students or would like to have them contact him before the picnic. Mrs. Blanche Veatch Short is secretary for this year.

Mr. and Mrs. Edwin Allen of Eugene were recent visitors at the home of his parents, Mr. and Mrs. Wolfe Allen of Godard Lane.

Mr. and Mrs. Tommy Hughes and two children of Portland visited Friday night and Saturday at the homes of her uncle, Lee Williams and aunt, Mrs. Murray Trunnell. Mr. Hughes had set up a wood products booth at the Lions Home Show in Eugene.

Mr. and Mrs. Leo Paschelke and children, Robert and Mary Lane, of Marcola were Sunday dinner visitors at the home of Mr. and Mrs. Hugh Trunnell. She is remembered here as Lois Hagerty. They also visited at the Theo Kangas home in Lynx Hollow.

The Paschelkes spent a month last winter in Tucson, Ariz., and in travel. They report the most outstanding place they have ever visited were the Carlsbad Caverns in New Mexico. They drove an extra 1,000 miles just to see them and would do it again.

A correction from last week states that the Gerald Beers home sold for \$1,400 as announced at that time. The house is being moved this Monday and will probably be located soon.

Attend Revival

Mr. and Mrs. Oscar Lindsey and Mrs. W. H. Lindsey attended a revival meeting of the Church of Christ at Oakland Friday evening. R. L. Morrison was the speaker.

Phoebe Young, who formerly lived at Hebron is reported as very ill.

FOUND GUILTY

Dave Williams and his wife, Faye, of Cottage Grove, were arrested by local police the evening of April 22. Williams was charged with disorderly conduct. Mrs. Williams with disorderly conduct and interfering with arrest. Williams was found guilty and fined \$25 by Municipal Judge Farney Edwards the following day. Mrs. Williams was found guilty by Judge Edwards. She was fined \$5.
