IT'S AMERICA'S "BEST SELLER"

Because it's America's Best Buy

Ford has pioneered in bringing the most
worth-while things to the most people...and more and more
people are now buying Fords

FOR A LONG TIME, people have recognized that Ford is the "Worth More" car. And they have been expressing their preference in a great and growing volume of purchases.

The reason is simple. More and more people have found in Ford everything they want and need.

If you're in the market for any new car, Test Drive a Ford and find out what a brilliant performer it is and you'll really understand why Ford is America's Best Seller and America's Best Buy.

In the first place: Ford offers the two most modern engines in the industry: a new 130-h.p. Y-block V-8 and 115-h.p. I-block Six.

As for comfort—Ford is the only car in its field with Ball-Joint Front Suspension for handling and riding ease.

Choice, too, is a department where Ford excels. You'll find just exactly the car for you among the 14 body styles and more than 100 body color and upholstery combinations in Ford's three great lines.

Ford is a completely modern car. The advanced fine-car features that make it "Worth More" when you buy it, will also make it "Worth More" to someone else when you sell it.

Why not accept our invitation to Test Drive a '54 Ford...and see why America's best seller is your best buy!
