## Grovers Bow 4-7 To Indian Nine

By Bill Vertrees

**LEAGUE STANDINGS:**  
District 5-A-1  
Eugene 5-0  
Springfield 3-2  
Roseburg 2-3  
Cottage Grove 1-4

**ROSEBURG, May 11** — The Roseburg Indians really had to hustle to down the Cottage Grove Lions in a good baseball game Tuesday by a score of 7-4.

The Indians scored three runs in the first when Hargis hit a single, Beamer walked, and Droscher hit a triple with one out. Roseburg scored two in the fourth and two in the fifth. Nubb Beamer was robbed of a hit that would have been at least a triple by hard working Sunshine Nichols who made a terrific catch in left field with his bare hand, but fell as he did so. The crowd was hushed until it was certain that he had caught the ball, and then every-

one from Cottage Grove cheered. The Lions came to life in the third inning and scored two runs on a single by Hayes and a cool double by Don Lunau who placed it right over the infielders head. Again in the sixth, two runs were scored.

The Home Town nine had seven hits, Leon Hayes single, Don Tonole double, "Moonbeam" Bottorff single, Doug Ballew two singles, and Don Lunau double. "Mice" Castle, who had been playing in right field changed with Lunau in the fifth and pitched one inning. Don Lunau finished the game.

Don Tonole caught a swell ballgame.

## Babe Carter Leads Willamette Valley Team Tournament

Babe Carter, a new member to Omlids Golf club, lead about 18 golfers in the first qualifying round for the Willamette Valley team tournament with a 74. He was followed by Fred Langston Jr., and Bob Gasper with 76.

Hugh Roberts and Doc Near were next with 77 each, followed by Lefty Martin with 78 and Palmer Johnson with a 79. Others who have completed the first round were: Hap Wolfard, 80; Wally Morelock, 81; Crip Morelock, 81, and Terry Carter, 84. Others are qualifying but their scores have not been recorded.

The regular Thursday Men's Day tournament was won by Hugh Roberts, in first place, followed by Terry Carter, son of Babe Carter. In the class B tourney, Virgil Kingsley took first place and Ralph Peck, second.

A very important note to all golfers who enjoyed playing against Laurelwood about a week or so ago. There will be the same kind of tournament with Oakway in Eugene. This time your (Cottage Grove golfers) dinners and green fees will be paid by the Oakway members. So, if you are interested in playing at Oakway May 16, give Ken Omlid a call at 633 or see Bob Gasper or Wally Morelock before the appointed date.

## Millers Down Lions 3-0 in Close Game

By Bill Vertrees

**SPRINGFIELD, May 6** — Charles Ramsey was the first man to score for the Millers when he walked, then stole second and was hit in by Don Miller. The Lions were defeated 3-0.

Springfield's other scores came in the sixth when two men got on through a walk, and an error, and Gene Strickland hit a nice triple to left field.

The Grove nine, coached by Mel Fex, played sharp ball all the way through. They had a total of four hits including one spectacular triple by Sunshine Nichols in the fourth which went clear to the fence.

Don Tonole, Gregg Stewart and Jim Bottorff collected singles. Gregg Stewart set the pace for the Lions by pitching seven innings, giving up only two hits. Victor Fox caught the entire game. The team as a whole looked very good and played heads-up baseball all afternoon.

One interesting point worth passing to the readers is that the second baseman with a man on first in a position that forces him to run around or look straight through the second baseman who stands between him and first base.

The game was quite close in many places concerning base running and many of the calls were very difficult for the umpires to make. Especially when the base umpire was at such a distinct disadvantage.

## Local Dog Wins At Sanction Match

Elizabeth III, border collie, owned by David Moss, proved Sunday that obedience classes she took last winter were a credit. On May 9 "Liz" won first place in a class of nine dogs at a Sanction Match sponsored by the Eugene Kennel club. Her score was 195 out of a possible 200 points, which is considered excellent for a first show.

There are three classes of awards given to the dogs as they progress in obedience training. The first is "C.D." or "Companion Dog," for which "Liz" is striving. Next comes "C.D.X." or "Companion Dog Excellent," and finally the top award "U.D." or "Utility Dog."

**Must Do Six Exercises**  
The "C.D." title is given when a dog has done six exercises. They are: heel on leash, stand for examination, heel free recall, long sit and long down. All these exercises total 200 points. The American Kennel club will permit the use of the letters "C.D." signifying "Companion Dog" to be used in connection with and after the name of each dog. This shall be certified by Judges of Obedience Trials to have received scores of more than 50% of the available points in each of the six exercises, and total scores of 170 or more points in the Obedience Class.

"Liz" and her master are looking forward to a summer of Obedience Trials throughout the Northwest. Dave is hoping "Liz" will get her "C.D.X." title before the summer is over.

**New Class to Start**  
A new obedience class, taught by Lee Brant, a professional trainer from Portland, will begin in Eugene very soon. Anyone interested in the class, may obtain more information by calling 1216J3.

## New Lumber Grade Rules to Be Talked Beginning May 17

A pulse-taking of the Douglas fir lumber industry will be undertaken at a series of 16 meetings slated to begin on May 17 and extending through mid-June when proposed new lumber grading rules will be presented for all-industry consideration.

Sponsored by the West Coast Lumbermen's Association, the district meetings should draw record turnouts throughout western Oregon, Washington and California. All fir lumber manufacturers are urged to attend.

Not in several years has a matter of such importance been presented to the entire lumber industry of this region for study and adoption or rejection.

Bruce Moorhead, husband of Jo Ann Palleske, is home for three weeks leave from the service. He is enroute to Japan. Since he was home last June, he has been stationed in England. His wife and two small sons live with Mr. and Mrs. M. E. Palleske of Eugene.

H. V. Simpson, executive vice president of West Coast Lumbermen's Association, and Howard L. Brown, general superintendent of the West Coast Bureau of Lumber Grades and Inspection, will explain the proposed grading rule changes at these series of district meetings.

Meetings will start at Medford on Monday, May 17 at the Medford Hotel at a 12:15 luncheon and discussion will continue through much of the afternoon. Other regional meetings will be held over the area including one at Eugene on May 20.
