The Rev. D. Hugh Peniston and his family left May 11, for Detroit, Mich., where Mr. Peniston will be the Ministerial Commissioner of the Presbytery of Willamette to the 166th annual General Assembly of the Presbyterian Church. The Assembly will meet from May 18 to May 26. Among the important items of Church business before the Assembly this year will be the final vote on the merger of The Presbyterian Church, U.S.A., The Presbyterian Church, U.S., and The United Presbyterian Church. The General Assembly, which is the supreme judicatory of the Presbyterian Church, will be made up of approximately 900 delegates, half of whom are ministers and the other half elders. The commissioners represent over 2,500,000 Presbyterians.

Mr. Peniston will be the preacher in the Palmer Park Presbyterian Church in Detroit on May 23. At the conclusion of the General Assembly, the Penistons will go to New York and then fly to Bermuda for a three weeks' vacation. Mr. Peniston, who is a citizen of Bermuda and the United States, is a descendant of the original settlers who came to this British possession more than 300 years ago. The immortality of man will be affirmed in the Lesson-Sermon on the subject, "Mortals and Immortals," which, according to the established rule, will be read in all Christian Science churches on Sunday, May 16.

Verifying the fact that man, the image and likeness of God, is immortal, Mary Baker Eddy avers in "Science and Health with key to the Scriptures," "Immortal man was and is God's image or idea, even the infinite expression of infinite Mind, and immortal man is coexistent and coeternal with that Mind" (p. 336).

A correlative passage from the Bible further substantiates the verity of man as the child of God. "The Spirit itself beareth witness with our spirit, that we are the children of God" (Romans 8:16).

Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: For where your treasure is, there will your heart be also. (Matthew 6:19-21.)

## Tips on Touring

By Carol Lane  
Women's Travel Authority

Are you a flat tire when it comes to fixing flats? If you must answer "yes" to this question, here are some tips which may keep your next tire-changing test from becoming a fiasco:

1. Make sure, before you leave home, that all your tire-changing equipment, such as jack, hand pump, lug wrench, are safely in your car and situated so you can get at them quickly.
2. Have your tires, and especially your spare, carefully checked before you leave home.
3. If a flat occurs, try to maneuver onto a firm level surface to change your tire.
4. Carefully block both wheels on the opposite end of the car from the flat.
5. Remove the spare tire from the trunk before elevating your car on the jack.
6. Place your jack at a slight angle opposite to the direction the car tends to slip as it is being raised.
7. Remember that wheel nuts on the left side of the car loosen when turned clockwise and that nuts on the right side are removed counter-clockwise.
8. Loosen the nuts while the wheel is only partially jacked and still resting on the ground. Then jack the car completely to remove the nuts and replace tire.

Remember these hints, and you won't flat flat next time you have to change a tire.
